

Press Release from Buckinghamshire Council

10 June 2022

Weekly roadworks update

As part of Buckinghamshire Council's £100m investment in roads across the county over the next four years, work will be taking place this week at the following locations through Transport for Buckinghamshire's Strategic Highway Maintenance Programme.

Some activities are extremely weather dependent, therefore dates shown are subject to change at short notice. These dates may also be subject to change depending on the availability of materials and the effects of COVID-19 on supply chain partners.

No weekend working unless specified.

Surface Dressing Programme:

Ship Hill, Boveney Wood Lane & Abby Park Lane, Dorney / Burnham – From A355 to Littleworth Road (Monday 6 June to Friday 24 June)

Major bridge refurbishment using a footway closure when appropriate in operation Monday to Friday between 8:00am and 5:00pm.

Highway Infrastructure Projects (HIPs):

A41 Bicester Road - Rabans Lane to Paradise Orchard including Jackson Road and Dickens Way, Aylesbury

Narrow lane working on both north and southbound of the A41, with the inclusion of a temporary traffic light controlled pedestrian crossing facility on the A41 south of Jackson Road. Both Jackson Road and Dickens Way will be shut to all vehicular traffic at the junction with the A41 to facilitate construction of road widening and road crossings for ducting the construction of the pedestrian crossing facilities. The existing roundabout will be removed at the Jackson Road junction and the A41 will become a straight through road. Local diversions will be in place for both Jackson Road and Dickens Way. Bus services have been notified and are being diverted and temporary stops will be erected along the route. Advanced signage has

been in place since 1 June 2022 and a local letter drop has been completed to immediate residential and commercial properties. Working times will be 8:00am to 4:00pm Monday to Friday. Traffic management and road closures will be in place 24/7 for approximately 4 weeks.

Drainage Improvement Schemes

Skirmett Road / Fingest Lane, Skirmett – Outside No. 3 (Monday 13 June to Thursday 16 June)

Drainage improvement works using give and take traffic management in operation Monday to Friday between 8:00am and 5:00pm.

–Ends–
