

# Press Release from Buckinghamshire Council

19 August 2022

## Weekly roadworks update

As part of Buckinghamshire Council's £100m investment in roads across the county over the next four years, work will be taking place next week at the following locations through Transport for Buckinghamshire's Strategic Highway Maintenance Programme.

Some activities are extremely weather dependent, therefore dates shown are subject to change at short notice. These dates may also be subject to change depending on the availability of materials and the effects of COVID-19 on supply chain partners.

No weekend working unless specified.

### Highway Infrastructure Projects (HIPs):

A41 Bicester Road - Rabans Lane to Paradise Orchard including Jackson Road and Dickens Way, Aylesbury

*Work will continue on the Eastbound and Westbound near Jackson Road/Dickens Way junctions with narrow lanes whilst construction of two traffic islands and footway works are undertaken. Works will be undertaken daytime and two-way traffic flow will be maintained at all times along the A41.*

*The reason for both Jackson Road & Dickens Way to remain closed is purely for safety reasons due to the change in configuration of the junction from a roundabout to a signal-controlled junction. During this time our workforce will be required to install new cabling and traffic signals. It is imperative that the safety of our workforce and both residents and travelling members of the Public remain paramount during these works. As such the existing diversion routes for both Jackson Road and Dickens Way will remain in place until the 2 September 2022. We apologise in advance for any inconvenience caused, but please be assured we are working to deliver the project as safely and quickly as possible.*
