

**A Survey into the views of Digswell residents about the Welwyn Hatfield Borough Council's Local Plan housing proposals, as set out in the Welwyn Hatfield Local Plan Consultation Document 2019.**

The new Local Plan for the Borough is designed to allow for more houses over the next 20 years. The Digswell area sites promoted to the Council for consideration in the future plan are set out on this map. The sites are marked in **RED** & labelled 'Dig 1, 3, 4, 5'. These pieces of land have been submitted by the landowners to the WHBC as potential housing sites. The public consultation of these proposals finishes on 18th June 2019. We have to submit the results of this survey before then. We are seeking your views so that the DRA can provide a co-ordinated response from the village to the Council. Please comment on each site separately to: [survey@digswellra.org.uk](mailto:survey@digswellra.org.uk) or by completing the form overleaf by the end of May and returned by email or to one of the listed addresses in Digswell.

You may wish to comment individually to the Council, online documents are available from the Welwyn Hatfield Council's web site at: <http://tinyurl.com/yxjo55f5>

Further details of the sites can be found at the Council's web site or on the DRA web site: <http://www.digswellra.org.uk/planning>
