

## Become a volunteer Undercroft Steward?

If you are interested in Guildford's heritage, acting as an Undercroft steward is a great way share your interest with visitors and residents.

Open from May to September for a few hours on Wednesdays and Saturdays, an average of 30 people an hour visit the Undercroft. We are looking for additional volunteer stewards at the moment. Please contact Carol Smithyes on 01483 503667 if you could spare 2 hours a month on a Wednesday or Saturday during the summer months.
