

Friends of Guildford Museum - What help can you offer?

The next 12 months is a likely to be a critical time when the museum needs help and resources. Please contact Nick Bale if you would be willing to help on specific and/or general aspects of the museum renewal.

There are a number of ways in which we could make a difference, for example:-

- We could be involved as ambassadors in the public consultation process assisting in public events and distributing materials to local communities and groups.
- We could support in-house and outreach activities to specific parts of the local community, for example, young people, cultural groups, the Alice Day event planned for August 7th
- We could expand the range of our events to publicize the "new look" museum and raise funds.
