Cllr K. Robson informed Councillors that this application is a few hundred yards from his house and he is supportive of the works in the area. His only concern was over access in the dark hours and litter being left in the area and becoming a playground. There had been a similar problem in the past. Another situation that could arise is how frequent will the gates be locked at night. The warden is there occasionally and is actively looking for volunteers to help him. F&L DECISION: Support application with proviso concerns the security after darkness and locking of the site
16/091	To discuss any other planning applications received subsequent to the agenda being published
