100/2024 Essex County Councillors report – ECC Cllr P. Schwier. No report was given

101/2024 District Councillors report – BDC Cllr I. Parker No report was given but a report was sent prior to the meeting. It read

The timetable for the new Local Plan has been revised. The Local Plan subcommittee will meet in February and March 2025 to discuss the Issues and Options for the new Local Plan. This will then be followed by a series of meetings in May and June 2025 at which the sites which have been put forward in the call for sites will be considered for allocation for housing or employment. The Local Plan will need to be submitted to the Planning Inspectorate by December 2026. The Government's ambition is to increase the number of new homes and is proposing giving Councils mandatory housing targets. Braintree's housing target is to increase by 35% to 1098 new homes per year. Many more sites have been submitted than are needed to meet this target including some very large sites.

BDC are consulting on a new Design Code for the District. I would encourage parish councils to respond to this.

The Government is keen to proceed with devolution and meetings are taking place with Essex leaders about proposed devolution for Essex. This is likely to involve elected mayors.

The Government is also proposing changes to waste collection. Officers are currently considering these proposals and I will be attending a presentation on this next week at which we will find out the implications for households and the Council.

In the first half of this year, BDC secured 128 affordable homes against an annual target of 250.

In the second quarter, BDC prevented 48 cases of homelessness.

In the second quarter, there were 134,196 visits to our 3 leisure centres. This is less than our target and we are investigation which visits have reduced.

Licensing officers in collaboration with Essex Police have conducted a series of our of hours checks on licensed taxis and premises.

A Public Spaces Protection Order has been imposed in certain parts of Braintree. This prohibits certain activities and is a way of controlling anti-social behaviour.

I have been notified that Suffolk CC is consulting on imposing a weight restriction on HGVs over 7.5 tons using the A1092 between Long Melford and Baythorne End except for access. Traffic would be routed via Bury and Halstead. The consultation closes on 9th December. I have details of how to respond if needed.

102/2024 Public Participation Session

The Chairman will invite questions and observations from members of the public present.

Pam Pluck gave a complete update on all the numerous emails she has had with Essex County Council regarding potholes and speeding in the village..

Speeding in the village still continues. Can a photographic log be kept and to notify the police when incidents occur?

Hedge planting and screening update at the Solar Farm was requested.

103/2024 Councillor vacancies – update from the Clerk

No applications from residents have been received

104/2024 Street Light in Claypits Road – Councillors to discuss whether the use of resident's money to maintain a tree blocking the street light on private land is good value for money
 The post for the street light is on private land. Councillors have 2 choices. 1 to totally remove the tree with the landowner's consent or 2. To do nothing.
 Cllr S. Ham proposed that no action be taken to remove the tree and foliage. Cllr M. Posen seconded.
All Agreed

105/2024 Flooding working group in Liston and Foxearth – update from the chair of the group
 In the absence of the group Chair the report is below
 In terms of an update of the Flood Working Group, we had another very encouraging turnout of volunteers at our latest working party on Sunday 20th. October. With shovels, shears, scythes and a valuable chain-saw, we cleared a good length of overgrown ditch between Foxearth and Foxearth Road, Liston. (working towards Foxearth from the point it goes under the road at the Liston turning)
 This stretch, running behind Red Cottages is the route the water takes from Foxearth towards the river and is particularly overgrown with vegetation and fallen trees, so dense that most of its length the stream is not visible from the adjoining field.
 To clear the length will require further working parties, but we made a very encouraging start. Many thanks to all those who attended to help. After a break for December when I am sure volunteers have busy weekends, we will reconvene next year. In the meantime, I will ask Colin Flux to see if he can offer assistance with some or the more densely overgrown parts of this stream and also make a mental note not to bring my favourite biscuits again!!

106/2024 Footpath update – Cllr K. Robson
 In contacted with highways regarding a couple of blocked footpaths. Subsequently the footpaths are all clear for access. A numerous amount of reporting has been done to Highways who have not been very responsive in replacing fingerposts etc. Cllr K. Robson proposed using the same contractor for next year.

107/2024 Highway issues

- **Speed indicator device update – Cllr K. Holmes**

Pam Pluck agreed to have the SID erected on her private land. A contractor to erect a pole.

GARDEN WASTE RENEWALS 2025/26 – FREQUENTLY ASKED QUESTIONS

What period does the subscription cover?

The subscription runs from 1 April to 31 March each year.

How much will the service cost in 2025/26?

- The full-year subscription fee for the first bin is £55.
- Subscriptions for second and subsequent bins are £30 per bin.
- New and replacement bins are £35.50 per bin
- Biodegradable sacks (for households not on wheeled bins) are £8 per roll of 20 sacks.

N.B. All prices subject to approval of Fees & Charges in February 2025.

How do I get my subscription?

You can sign up on-line on the Council's website or by phoning our Customer Services Centre.

The customer portal will go live on **27 January 2025** and from that point you can purchase a new subscription for 2025/26 or renew your existing subscription.

Can I pay by instalments?

No, payment must be made in full when you take out the subscription.

Is there a discount for pensioners or those in receipt of benefits?

Unfortunately, it is not possible to subsidise the cost of the service as the intention is for it to be self-financing. If you wish to receive the service, you will need to pay the full subscription price.

Do Churches/Charities have to pay?

Yes, churches and charities are no longer eligible to receive a free service and will have to pay the full subscription cost.

What happens if I move or stop using the service – will I get a refund?

No, the charge is not refundable, although if you move to another address within the District, the subscription can be transferred to your new address. You must ensure that you take your bin with you and let us know your new address at least two weeks in advance of the move to ensure an unbroken service.

Do I need to tell you if I don't wish to renew my subscription?

No. If you don't renew, your existing subscription will expire on 31 March 2025 and no further collections will be made.

When will I receive my subscription sticker?

This will be sent in the post and should be received within 14 days of subscribing.

If I order a new/replacement/additional bin, how long will this take to arrive?

We aim to deliver bins within 10 working days.

How can I dispose of my garden waste if I don't wish to subscribe?

The best option (environmentally) is to compost at home. To obtain discounted compost bins and find out about the benefits of home-composting and how to get started (including on-line training), visit the Love Essex home composting page (link below).

<https://www.loveessex.org/ideas/get-started-home-composting>

Material that cannot be composted would need to be taken to a Household Waste & Recycling Centre. *Please note that you will need to book an appointment.*

Will the Council provide a free bin for leaf-fall?

No, please use your garden waste bin if you have subscribed to the service. If you don't have a bin, you could compost the leaves at home or put them in sacks to make a leaf-mulch to enrich your soil. Alternatively, they can be taken to your local Household Waste & Recycling Centre.

Can I put garden waste into my grey bin?

The Environment Act 2021 makes it clear that garden waste should be collected separately and so it should all go into your garden waste bin (if you have subscribed to the service), or it can be composted at home or taken to your local Household Waste & Recycling Centre.

Can I put out extra waste alongside my green bin if it won't all fit in?

No, our collection crews will not accept any excess garden waste that is presented alongside or on top of your bin. If you occasionally have more waste than can fit inside your bin, please hold this over and place it loose inside your bin once emptied, ready for the next scheduled collection day. Alternatively, it can be taken to your local Household Waste & Recycling Centre.

Is the collection of garden waste now a statutory service and, if so, are you still permitted to charge for its collection?

Whilst the Environment Act 2021 requires local authorities to collect garden waste where requested to do so (and to collect this material separately from other waste), there continues to be provision to impose a charge for delivering this service as not all residents will require it.

Don't I pay for garden waste collections in my Council Tax?

The subscription fee means that the cost of delivering the garden waste service is funded through payments made by those who take up the service. Therefore, those who choose not to subscribe are not paying towards this service in their Council Tax. Fees are set each year at a rate to ensure that the service is funded by the subscribers.
