WOODLAND NATURE TRAIL

Friends of Bottesford Beck

INFORMATION SHEET

Welcome to the Bottesford Beck Woodland Nature Trail. We hope you enjoy your trek through the woods, where you can try to identify some of the birds, animals, bugs and butterflies. Keep a lookout for the friendly squirrels in the trees. You can trek only one of the woods or all three as you please. Each of the woods have been named after particular trees that are growing there; Maple Tree Wood, Oak Tree Wood and Beech Tree Wood.

Please do not wander off the path and take care at all times. The animals and birds that live on the ground and in the trees will thank you for helping to keep their home free of rubbish and nasty things, so; [Please Take Your Rubbish Home With You.](#)

“Explorer Spotter Sheets” can be downloaded and printed from our website where you can tick off the birds, animals and bugs as you see them. The Friends of Bottesford Beck would be delighted to see your special photographs taken during your time on the Trail, so please send them to our email: fobbcontact@yahoo.com

This woodland nature trail has been created by The Friends of Bottesford Beck Environmental Volunteer Group. We will periodically maintain the pathways keeping them clear of obstacles. However, if you should encounter a problem on any of the three pathways, we would be obliged if you could let us know so that we can take action to remedy the situation.
