

HUNMANBY GOOD FOOD AND REAL ALE TRAIL

It is 175 years since the railway came to Hunmanby, with the opening of the Yorkshire Wolds Coast Railway in 1847. A warm welcome awaits visitors who come here by train, starting at our award-winning station with its colourful flowerbeds and very unusual North Eastern Railway Tile Map. Pick up the *Heritage Trail* and *Flower Trail* leaflets from the information racks on both platforms, and you're ready to explore.

From the station, turn left up Bridlington Road, past access to the Fishing Lake (an old clay pit) and the Tyre Depot, and take the first proper road on the left leading to the Industrial Estate. The first unit on the right is

Spirit of Yorkshire: ☎ 01723 891758. Yorkshire's first whisky distillery, producing whisky from local sources, and a great place to start your walk. Its Pot Still Coffee Shop sells hot and cold drinks and snacks, and you can tour the distillery too, but you need to book tours in advance.

Special offer: Show a valid train ticket and this leaflet when you come for your distillery tour, to receive a free hot or cold drink and a biscuit. Or if four of you take a tour (with valid tickets) then you'll only pay for three.

Leaving the **Spirit of Yorkshire**, turn right down the Industrial Estate Road. At the barrier at the bottom cross Sands Lane. Slightly to your left is

The Piebald Inn: ☎ 01723 447577. Landlord Jon is passionate about pies. **An extensive range of different pies, (50!) are freshly prepared on the premises with locally sourced ingredients, and served daily from 12 noon to 8pm.** The Pie Pub Co Bitter (formerly Kimberley Bitter) by Greene King is the house beer, and depending on the season four to six guest cask ales are offered. Outside there is a terraced area and large garden. Bed & breakfast accommodation is available.

Special offer: Show a valid train ticket and this leaflet at the Piebald Inn for a meal and the Piebald will serve you a complimentary tea or coffee after your meal.

Leaving the **Piebald**, go left along Sands Lane past the playing field and take the first turning on your left, Sheep Dyke Lane, a quiet, single-track road. It passes under the original cast iron 1847 North Eastern Railway girder bridge. The River Hertford is culverted under the road; this was the site of a sheep dip. You'll pass the old village lock-up and pinfold (pen for stray animals) with its resident sheep. Milton Keynes has its concrete cows, Hunmanby has its own plastic sheep!

On Stonegate turn left. On your right is

The Horseshoe Inn: ☎ 01723 890077. Landlord Dave has an "Alexa memory" for remembering customers. This is a traditional three-roomed village local, serving meals Wednesday to Saturday 4pm to 8pm and Sunday 12 noon to 4pm. Two regular ales are offered: Sharp's Doom Bar and Wainwright's Golden Ale. At the rear are a beer garden and a partially covered smoking/drinking area, adjacent to the **Horseshoe's** own car park.

Special offer: Show a valid train ticket and this leaflet at The Horseshoe for a meal and the Horseshoe will donate £1 into the Lifeboat Charity Box.

Leaving the **Horseshoe**, continue straight up Stonegate, past the site of the Norman motte and bailey castle (it was made of timber with a dry moat.) Turn left down Church Hill, past All Saints Church. Across the road is

The White Swan: ☎ 01723 890232. Landlord Andy presides over this family run pub, a former coaching inn with an "olde worlde" ambience. Meals are served daily, 12 noon to 2pm and 5pm to 8pm. Two regular beers are Jennings Cumberland Ale and Rudgate Ruby Mild, supported by two rotating guest beers. Bed & breakfast accommodation is available.

Special offer: Show a valid train ticket and this leaflet at The White Swan for a meal and the White Swan will donate £1 into the Defibrillator Appeal Bottle.

Almost next door is **The Cottage Inn:** ☎ 01723 892475. Landlord Jon is a sports fanatic, especially about his beloved Barnsley FC. Currently no meals are being served, but Jon has kindly put on the offer below. This is a split-levelled single-roomed local, divided into drinking and games areas. Two changing guest ales are permanently available. Sporting events can be viewed on multi-screened TVs. There is a smoking area at the front of the building, and dogs are allowed in "Crufts Corner".

Special offer: Show a valid train ticket and this leaflet at The Cottage and Jon will give you a packet of crisps or nuts.

From **The Cottage** head down Cross Hill, passing the War Memorial and landscaped open area looked after by the Parish Council and Hunmanby in Bloom. Turn right along Bridlington Street where most of the village shops are located, including a traditional butcher, greengrocers, deli and two cafes. Take time to browse, and it is then a straight walk along Bridlington Street back to the station.
