Compiled by Joy Wright for ease of reference for interested parties. This information has been gathered from the Loxley Congregational Chapel Burial Register and Index and, therefore, will carry the colloquial knowledge, speech/spelling used at the time of entry and, of course, human error.

The inscriptions have been recreated as closely as possible to the original and so will reflect the type of text, punctuation, layout, etc of the era.

I feel it is not my position to 'correct' any of this information as it encapsulates a moment in history and it is not for me to alter.
