## **Taylor Wimpey Planning Application to build 42 houses on land off Weston Road**

### **Planning Enquiry set for 15th - 18th March**

This planning application was approved by Aylesbury Vale District Council (AVDC) in September last year. However, the Secretary of State for Communities and Local Government, Greg Clark, 'called in' the application, meaning that the AVDC approval is void and he will make the decision on the application.

The first step to 'calling in' the application is that a Planning Inquiry is to be held over 4 days, 15th -18th March starting at 10am. The location has not been confirmed but is likely to be in AVDC's offices in Aylesbury.

The Inquiry will be led by an inspector from the 'Planning Inspectorate', a government agency. Evidence will be heard from the three parties involved in the application, namely:

- Taylor Wimpey
- AVDC
- Great Horwood Parish Council

Written submissions will be made in advance of the hearing and each of the three parties will be represented by Legal Counsel who will present their case. Witnesses will be called and cross examined. The main witness for Great Horwood will be Neil Homer, the planning consultant who helped create our neighbourhood plan. Local resident David Saunders will also be a witness, having been involved with the preparation of the plan from the beginning, and played a lead role in opposing the planning application and the subsequent fight to overturn the AVDC approval.

Once the hearing is over the inspector will write a report for Secretary of State Greg Clark, who will make the final decision on the application.

The Inquiry is open to the public, so residents are welcome to attend (just turn up). Residents can speak at it too, even if they are not formal witnesses - the procedure for this will be outlined by the inspector on the first day.

## Poppy Collection

As you will know, we pounded the streets of the village again last November with the poppies, collecting for the Royal British Legion.

We want to say a huge thank you to everyone who opened their front doors and their purses/wallets to us - we collected a record amount in 2015. The children and staff at the School were superstars with an amazing total of £139 in their pot, so very many thanks to them - a brilliant effort! In total, including the School's bumper collection, the villagers of Great Horwood and Singleborough donated a staggering £354 - thank you all very much indeed for such an amazing response

We look forward to seeing you all again in November

14th February – Special Valentine Menu, book early to avoid disappointment

25th March – “ Alvin the Ultimate Elvis” – Ticket only, available from pub

**We are hiring enthusiastic front of house staff.**

**Experience not essential.**

**Must be over 18 and able to work (some) weekends**

**Horwode Pece  
Recreation Ground**

Since the working party in mid-October, the Rec appears to be in very good condition, given the time of year. Even with all the rain we have had, there are no major areas of flooding.

We have submitted our budget for 2016 to the Parish Council which includes minor repairs to some of the equipment, replacement of the oldest of the picnic tables, woodchip top-up in both play areas and a further contribution towards the purchase of a slide. Due to this item being a huge capital expense we have had to rollover budget but are hopeful to organise a site visit from the equipment providers to find out exactly what is available. We will also be adding anti-slip grip to the ramps of each play area and hopefully replacing the goal nets.

We have a **Spring Working Party arranged for the weekend of 12th/13th March** or 19th/20th March if the first one gets rained off, commencing at 10am. If you are able to attend to help with our maintenance jobs we really do appreciate it; the old adage 'many hands make light work' really is true!

As soon as the weather allows, our contractor will be putting the slabs down for the hard-standing ball bounce area behind the goal underneath the basketball net.

Also, we are **still looking for someone to join the Trust Management Committee - please see below.**

**HORWODE PECE TRUSTEE VACANCY**

The Great Horwood and Singleborough Recreation Trust is a charity that was set up in 2007, on your behalf, to be responsible for HORWOOD PECE.

The purpose of the Trust is to preserve the Pece and its facilities for the benefit of Great Horwood and Singleborough residents.

The Trust owns the land on which the playground is built and has appointed a Management Committee to maintain and refurbish the equipment and site.

**There is a VACANCY on the Trust for a representative to join a dedicated team in preserving this facility.** The new member will recognise their responsibilities to the Trust and village residents. They will appreciate the importance of the Pece as a village asset and help secure future sponsorship and seek fund-raising opportunities.

## **Message from PCSO Wendy Taylor**

### **Driving in the winter months**

Whilst the weather has been unseasonably warm, the sharp drop in temperature has,

hopefully, stirred us from a false sense of security and encouraged us all to think about our vehicle's preparation for the winter weather.

- Please ensure your brakes, wipers and tyres are in good condition and the tyres are inflated to the correct pressure
- ensure the coolant has the correct amount of antifreeze
- Buy de-icer/scrapper for windows and clear all windows before you drive anywhere. It is dangerous to start your journey with a small peephole to peer through until the heater clears the rest of the screen. Clearing the screens with de-icer/scrapers also prevents the temptation to leave the car on your driveway, with engine running, warming up. Doing that will mean your car is then ready, warm with screens clear, for an offender to get in and drive away. And your insurance company will certainly not support you.
- Finally, ensure all your lights and indicators are working correctly. Remember that fog lights are only needed in fog and it is an offence to use them when there is 100m or more visibility. Check, too that dipped and full beam work properly. We see so many vehicles where this is not so and it can simply be that the headlight bulb has been inserted upside down.

Please also ensure you are driving to the road conditions and not the road's speed limit. We have already had a lot of call outs for vehicles ending up in ditches because they have hit black ice too fast. The clue is your windscreen – if you have scraped ice from the windscreen, chances are there is ice on the road. Take heed!

### **Elderly targeted by fake police officers**

There has been a recent series of incidents whereby fraudsters either phone or attend the home address of elderly members of the public, claiming to be police officers.

The fake officer/s will claim that they are investigating a fraud which they believe the elderly person to be a victim of. The fake officer/s will then request the bank cards and personal identification numbers (PIN) of the victim and claim these are needed for investigation purposes. If the first contact was made by a phone call, the fake officer/s will tell the victim that someone will be over to collect the evidence. In one case the victim was instructed to attend their local bank and withdraw all of the money from their account. The suspect was left alone in the victim's house whilst the victim carried out the instructions.

### **Protect yourself:**

- Before letting anyone into your home who claims to be from any law enforcement agency, ask to see their identity card and check it by calling 101
- Ask if they can attend at a pre-arranged time when a family member or friend can also be present
- If you receive a phone call from a police officer, ask for their name and force and tell them you will call them back. Wait a few minutes and then use 101 to call them back through their force's switchboard and verify their identity
- The Police will never ask for your PIN or passwords. Do not give this information to anyone
- The Police will never request that you withdraw/transfer any money to them.

The website gives lots of advice and will help match your interests with a volunteering opportunity. Why not take a look and see what might interest you and where your skills and experiences could be best used?

So... here's to a New Year, a New You – and Discovering Volunteering. Try something new in 2016 and make a positive change in your life and your community!

## A PLEA TO DOG WALKERS...

We have many excellent footpaths in the area, most of which go through Farmers fields.

Sadly, in the past few months there have been two occasions where Sheep in these fields have contracted diseases and, as a result, had to be put down. There has also been at least one occasion where Sheep have been frightened and injured by a dog.

These diseases were most likely caused by the sheep eating dog faeces (poo), which causes sarcocystosis - a neurological disease. (Dog faeces can also cause abortions in cattle).

**So the request to dog owners is:**

- 1. Please keep your dog on its lead as you go through fields with livestock in them**
- 2. Please pick up after your dog - do not leave your dog's faeces in the field**

Thank you,  
*Dean White*

## Great Horwood Silver Band

The band played for the opening of the new recreation ground in Whaddon on Sunday 27th November; there were many people in attendance despite the very bad weather.

The Band had a very busy Christmas period starting on Saturday 5th December with the popular Christmas Carol Concert in Potterspurty, followed on Sunday 6th with the Carol Concert in Great Horwood Village hall, where they raised £120 for 'Focus' and £120 for the Village Hall fund. They played twice at Tesco Buckingham and a group from the band played in Adstock on 22nd December. This engagement is usually around the Christmas tree but because of the bad weather it was in the Village hall. Members of the band played carols around Great Horwood on Christmas eve. We were very grateful to Margaret Michaelski, and Sandra and Stuart Birrell for generously giving their time to collect for us around the Village on Christmas Eve; their help was much appreciated by us all. Thanks to all in Great Horwood who generously donated to our funds.

Last year the band raised £1135 for other worthwhile charities including Blackberry Farm Animal Shelter, The Poppy appeal, Diabetes UK and Potterspurty United Reformed Church.

We are arranging a Concert in May in memory of Bob Hart who sadly died in September last year. All proceeds from this concert, which will be in Winslow, will go to the charity chosen by Bob's family.

We thank the Great Horwood Parish Council for the generous donation towards the purchase of some replacement uniforms.

We welcome Helen Grimditch into the band, Helen has chosen to learn to play baritone.

The band are now busy rehearsing for the Annual Concert in Buckingham Community Centre on Saturday March 5th.

100 Club winners for November were:

- Diane Edmondson £12
- Linda Hayward £8

Winners for December were:

- Mary Elmes £50
- Tracey Hart £12
- Keith Mould £8

## Great Horwood Combined Church of England School PTA

The run up to Christmas was an exciting time for the PTA. In November, the professional acting company, Chaplins Panto4Kids, put on the PTA's first annual pantomime in the Village Hall.

We had over 60 people turn up to watch a brilliant performance of *Beauty and the Beast*. There were shouts of 'it's behind you!' a great deal of laughter and even some dancing in the aisles. The PTA would like to say a massive thank you to our sponsors VAG Worx, Property Solutions, Marble Arts and The Bell Hotel for helping us put this event on. This year's village pantomime will be on Saturday 26th November, so put the date in your diary now.

We hope that you all enjoyed our Christmas Bazaar which was held on 12th December. Thanks to all who came along and supported the event, it means so much to us as a PTA when the village comes to our events, and we hope you were lucky with our fabulous raffle. We had some great prizes donated by local companies including Horwood House, Foxdentons, Ikea, Clinkards Buckingham, Ariel Extreme, Spy Games and Goodness Me Foods.

This coming year we are hoping to buy a wooden reading chair, a new outdoor portable speaker, play equipment and to continue our support towards the school library.

These events make a massive difference to our ability to help support the school and our children.

We have some more village events coming up and would love to see you there (see elsewhere in the magazine for details):

- The Big Movie Quiz - **Saturday 27th February in the School Hall** (starts from 7:30pm, if you came to our last quiz night, you'll know this will be good fun)
- Mad March Fun Run - Sunday 13th March from 12 noon (our Annual 5km fun run)
- Race Night - Saturday 23rd April
- Table Top Sale - Saturday 14th May (a great opportunity to have a clear out and pick up a bargain)

### **Wassailing! in Great Horwood**

On the 16th of January, around 20 people gathered at the aptly named Orchard Cottage in School End for the Mid Shires Orchard Group's Winter Wassail.

The Wassail is an ancient custom of toasting and blessing fruit trees in order to promote a good harvest for the coming year. Wassail derives from the Anglo-Saxon *wes haile!* or *wase hail!*, a hearty wish for good health and fortune.

Master of ceremonies Claire Conway-Crapp led the assembled group through the ritual which involved gathering around a venerable apple tree chosen as the 'King of the Orchard', and reciting a blessing,

singing, giving offerings of cider and making a lot of noise to ward off mischievous spirits.

The wassailers then drunk mulled cider to toast the 'The King of the Orchard' and afterwards walked around Great Horwood to visit other orchards in the village.

Thanks to Claire Conway-Crapp for organising and leading the ceremony. Thanks also to Pauline and Richard Brown who kindly hosted the event at their lovely home, Orchard Cottage, and provided the delicious home-made mulled cider and apple cake.

## **Jeannie Marshall**

The Great Horwood and Singleborough Recreation Trust would like to take the opportunity to thank Jeannie Marshall for all her hard work as she steps down from her voluntary duties.

Jeannie comes from a very rare and special mould. She has spent countless hours over many decades, giving up her own time helping the community of Great Horwood and the likes of her are few and far between.

Mum to Duncan and Kerstin and Grandmother to Jessica, Holly and Georgia, they must be very proud of her.

So with great love and affection, I'm sure we speak for everyone on all the committees that Jeannie has volunteered on and still is involved in

THANK YOU SO MUCH.

*Jane Holland*

**Tara takes steps towards £10k target for children's charity  
CANTELLS GIG IN GREAT HORWOOD ON SATURDAY 6th FEB 7.30PM**

Little Horwood resident Tara Garritt is putting her best foot forward to help sick and disabled babies and children by tackling a five-day hike in India **in aid of Action Medical Research.**

Action Medical Research has been funding medical breakthroughs since it began in 1952, including helping to introduce the first polio vaccines in the UK, developing the use of ultrasound in pregnancy and testing the rubella vaccine. It is currently funding research into meningitis, Down syndrome, epilepsy and premature birth, as well as some rare and distressing conditions that severely affect children.

The 43-year-old is heading to the Himalayas as part of her mission to raise £10,000 for the UK-wide children's charity in 2016. In October she will walk from Dharamsala, the spiritual home of the Dalai Lama, through spectacular mountain landscapes and sleep under the stars in remote mountain camps before finishing the challenge at Laka Got, 3550m above sea level and well above the Himalayan snowline.

She's no stranger to extreme outdoor adventures, having already trekked through Jordan from the Dead Sea to Petra in April last year in temperatures up to 40C.

To kick start her efforts, popular local group **The Cantells will be playing a special gig for Tara at Great Horwood Village Hall on Saturday 6 February. Doors open at 7.30pm with the first set at 8pm and drinks will be available.** It will be a great evening,

so please come along and at the same time you'll be supporting this worthy cause.

Tickets cost just £10 from The Crown Pub.

To support Tara's fundraising, please visit [action.org.uk/sponsor/TaraGarritt16](http://action.org.uk/sponsor/TaraGarritt16) or to find out more about Action Medical Research, head to [www.action.org.uk](http://www.action.org.uk)
