Church Key February - Ian Lamberton - 715968

YOUR CHURCH WITH A QUIRK

A big thank you to all those who have supported events at St James' over the Advent and Christmas period. Many of you attended the coffee morning and purchased Christmas cards, gift tags and other Christmas goods in aid of our Roof Appeal. What a wonderful show we made of the Christmas Trees decorated by organisations of the village during our Pop-Up Carol Service. A massive thank you must go to our Curate Mark Nelson for leading the wreath making workshop.

Look out for more services with a difference soon!

LIGHTING THE TOWER

Mr & Mrs Bennet-Coles kindly sponsored the lighting of the Tower during the month of December to remember Ann and Derek Whiting and Kathleen Dungworth.

It was also lit on the 5th January to remember Toby Terkelson.

If you would like to light the church tower to remember a special person or mark an occasion, or even just because it looks nice, the cost is just £5 per night. Please contact me on 715968 or see the form in Focus.

ASH WEDNESDAY SERVICE – 26TH FEBRUARY

There are two Ash Wednesday services in the Benefice this year - the first will take place at 12 noon at St Laurence Church, Winslow and the second at 7.30pm at St Mary's Church, Addington. This is a service to mark the start of our time of Lent, as we look forward to the joy of Easter. During the service the imposition of ashes may be received. Everyone is welcome.

LENT LUNCHES

Lent lunches will once again be served during Lent on Wednesdays, starting on Wednesday 4th March and will continue until Wednesday 8th April. Come and join us in the Village Hall for delicious home made soup and bread with cake and tea or coffee to follow. Lunches are served from 12 noon. All welcome.

GREAT HORWOOD SILVER BAND

The Band resumed rehearsing on the 8th January 2020 after resting and recuperating from our very busy banding Christmas and all our festive celebrations.

We are now working hard, rehearsing for our upcoming **Annual Concert** which is being held on **14th March 2020** in Buckingham Community Centre. We look forward to seeing everyone there so please put the date in your diaries. The concert will start at 7.30 pm and the theme is Stage and Screen, so lots of different styles of music, covering many different eras.

Our next events after that revolve around the **VE day celebrations** that will be taking place this year on the Bank holiday of the **8th and 9th May**.

Please check our website for the dates and times of our upcoming engagements as our calendar starts to fill up for our summer events.

We would still welcome any new members, so anyone who would like to come along and join us please contact any member of the band for further details. We accept any age or ability, with free tuition offered and instruments provided. We rehearse on a Wednesday evening in Great Horwood Village Hall with our training band starting at 7.00 pm, followed by the main band at 7.45pm which rehearse until 9.30pm.

If you aren't interested in joining, but just fancy coming to listen, the door is always open on a Wednesday evening, so please feel free to come in. We will be rehearsing so things may not be perfect, but you may still enjoy watching us in a relaxed environment.

W.I NEWS

The weather has been very kind to us on our Monday walks and we enjoyed a lively Christmas lunch at The Barge on the Woolstone walk.

A glass of wine and tub of chocolates helped focus our minds for the quiz at our January meeting and Katy Slade is going to give us a talk about Parkinson's UK in February.

Don't forget our Bake Off fundraising event on 17th March with former contestant Christine Wallace. The funds raised will go towards the Church roof repairs and WI.

Our monthly lunches at The Swan are going well and we have an outing to Kew Gardens in March.

GREAT HORWOOD DOCTORS CAR SERVICE

The Great Horwood Doctors Car Service has been taking villagers to Norden House Surgery in Winslow since September 2006.

Passengers have only been asked to make a voluntary contribution for the journey and the drivers have not received any payment.

This has meant that as well as funding the mobile phone surplus funds have often been built up during the year.

In 2011 £354 of these surplus funds were used to purchase the bench in the bus shelter in Little Horwood Road adjacent to The Green and for the years from 2013 to 2018 the funds were used to provide a free Christmas raffle for the Village Pub Lunch Club.

Since the closure of The Crown the Pub Lunch Club has unfortunately ceased to operate and so we have decided that the surplus funds of £100 from 2019 will be donated towards the repair of St James Church roof.

WINSLOW & DISTRICT ART SOCIETY

With a demonstration of wildlife in graphite and charcoal from Karen Thomas, we commence the New Year on January 30th with a flying start.

This monthly meeting will be followed on **February 27th** with a demonstration from artist Phil Madley on the intricacies of hot wax with a picture in Encaustic art. We have no idea what his subject will be, but his work is very good and we can be assured that this will be 'something different'.

These monthly demonstrations and talks are open to all and whilst they are free to members of the Society, we do make a small, £5 charge to non-members which also covers refreshments.

Our two painting groups are now back in the swing after Christmas with their new terms starting in mid January and going through to Easter.

This provides members with an opportunity to work on their pictures once a week in a social atmosphere and with the help of other members when required.

There are spaces at Padbury and possibly also at Winslow, but you will need to talk to Treasurer, Jackie Chambers if you are interested as she keeps an eye on availability. If you take part, the extra cost works out at around £2 a week on top of your WADAS annual subscription.

January saw the first of our Claydon House Studios workshops for this year, and more opportunities will be set up as the year progresses to give our involved members a full day of supported painting.

New members of the Society are always welcome, whether you are an active artist, a total beginner, or simply just interested in how pictures are made.

For more information, the people to contact are :

Treasurer Jackie Chambers (01296) 713607
 Secretary Maureen Barnes (01280) 815691

MEN IN SHEDS

2020 has got off to a promising start at The Shed with good attendances despite (or maybe because of) the rotten weather. We will be summing up our activities and progress for 2019 at our AGM on Thursday 6th February. As mentioned in last month's WPN, the formal part of the meeting starts at 11:00 and everyone is welcome to attend. Once formalities are over (and they will be brief) we will be delighted to show you around, chat about the sorts of opportunity we can offer and hear your ideas for what else we might be doing. And, of course, it wouldn't be a Shed meeting without sharing tea, coffee and cake!

The AGM is also where we set out our ambitions for the year ahead. Complacency is always the enemy of progress but, at the same time, "If it ain't broke....(etc)" can be a useful motto. Plans for 2020 therefore build on existing themes and will include supporting members training needs and upgrading equipment as and when possible. Our immediate fund raising target here is a new woodturning lathe with sufficient capacity for bowl making as well as spindle work. Maintaining a friendly, welcoming atmosphere will always be a priority so Open Days will continue to feature. We will be taking the idea one stage further on Wednesday 26th February when we will be welcoming Winslow Lions Ladies to The Shed for refreshments, a tour and a presentation. Winslow Men in Sheds is part of an international movement

that, in just a few years, has grown into quite a phenomenon – rest assured that the presentation won't be about what you probably have mouldering at the end of the garden! If something similar might suit your group or association then please get in touch.

MISW membership is only £10 per year which is my gentle way of reminding members that subs are now due – see you soon.

The Shed is open:

Tuesdays and Thursdays 10:00 - 4:00.

Unit 4, Station Road Ind. Estate.

PAINT THE TOWN RED WITH MEDICAL DETECTION DOGS THIS VALENTINE'S DAY

Lend a paw by wearing red, baking red, decorating red and selling red.

For the first time ever the charity Medical Detection Dogs is challenging our local community to 'Paint the Town Red' to raise much needed funds and awareness for its life saving work.

Between the 9th-15th February, gather your friends, family and local community and show the love by celebrating the colour of red. Could your school or workplace have a red mufti day, or a red cupcake sale? Could your business decorate the shopfront in red?

Medical Detection Dogs trains dogs to detect the odour of human disease. The charity's Bio Detection Dogs are trained find diseases like cancer, malaria and Parkinson's.

Medical Alert Assistance Dogs are trained to detect tiny changes in the smell of a partner with conditions like Type 1 diabetes, PoTS or Addison's disease and warn them when they are about to have a potentially life-threatening medical emergency.

Medical Detection Dogs receives no government funding for its work and relies entirely on the generosity of donations from trusts and the public. It costs the charity £29,000 to train each dog.

Community Fundraiser at Medical Detection Dogs, Carolyn Green, says: "By joining in with our Paint the Town Red week you will not only be celebrating love for Valentine's Day but also raising funds and awareness for the work of our amazing dogs.

"The diseases our Bio Detection Dogs are trained to detect affect every single one of us and they could be at the forefront of early diagnosis and ultimately more lives being saved. The conditions our Medical Alert Assistance Dogs work with are extremely complex and often our clients have given up hope of leading a normal life for fear of falling ill at any moment. These wet-nosed knights in shining armour turn this around and save their lives in more ways than one. "Our dogs will be wearing their own red coats with pride that week and hopefully between us all we can make everyone see red."

If you would like to 'Paint the Town Red' and need more information or would like to order a fundraising pack, or visit <https://www.medicaldetectiondogs.org.uk/fundraising/red/> or contact please contact fundraising@medicaldetectiondogs.org.uk

WALKING NETBALL

You may have heard of Walking Football, now we have Walking Netball. It is a slower version of the game & has been designed so that anyone can play regardless of age or fitness.

We have a small group currently playing at the Thomas Freemantle School in Winslow. We would love to see some more members enjoying this fabulous facility, & taking part in a team sport which is fantastic fun, sociable & very rewarding.

Time: Fridays 5 – 6 pm, cost £4 per session

If you would like more information or would like to come along for a trial session, please contact Karen Wilkinson on 712933 (pkwilk71@yahoo.co.uk)

It's fun, it's sociable & it's exercise!

DO YOU LIKE TO CHAT ON THE PHONE?

If you have time to make a regular telephone call to someone who would really welcome it, please read on...

As part of a National Health Service initiative we have a team of volunteers covering the north Buckinghamshire area. They are an important part of the 'Patient Support Service' that works with your GP surgeries in the area and help maintain a vital link between the 'Patient Support Team' and some of our patients. We would like to expand this very successful scheme and we are seeking volunteers who can assist us to reach even more people. All you need is a phone and time for a short chat!

What do we need?

Anyone who is happy to chat, on a regular basis, with a person who will welcome your call. These calls can be to any part of the region which means your location is not important. However, we will try to match you with local people who have similar interests. We hold regular local volunteer led training and support with, currently, a team of over twenty volunteers.
