

Great Horwood Scout Group

We have all now returned to our regular meetings and boy are they interesting. All credit to the young people and adults for putting together exciting programmes for this term including residentials planned for all 3 sections this year and in tents!!

Each section loves taking part in Village activities and this year will hopefully see us again taking part in litter picking, Village Fete and Remembrance Parade and any other village events going.

As a Group we are now operating a waiting list for Beavers and Cubs; so, don't delay if you want to join. Please contact me and get your name on the list at adcbandc@uwclub.net

With each section comes the need for more adult help; volunteering with the Group is very flexible; be it just doing the refreshments to helping behind the scenes or being an Appointed Leader.

Currently we have the following vacancies:

Assistant Beaver Leader, Assistant Cub Scout Leader

With whatever role you take on at the Group there is an element of training to be done and this is done via e-learning or as a face-to-face course covering a few modules at a time over a couple of weekends. You will be always supported by myself and the Chairperson.

Why not take up our 4-week challenge to see how you get on

Week 1 - Come and see what we doWeek 2 - Help Out Week 3 -Get a little moreinvolvedWeek 4 - Deciding if Volunteering with Scouts is for you

Each section is open to Young Leaders (14-18 years) so if you are doing your Duke of Edinburgh Award or would like to get experience working with Young People then please contact me: adcbandc@uwclub.net

A full training programme is available and looks awesome on your CV for college / University; not forgetting applying for jobs!

MEN IN SHEDS WINSLOW

Figuring out how many extra layers you can wear while still being able to move has provided an extra challenge in the Shed this year- boy has it been cold in our 'warehouse' space! Among our hardier regulars is Stefan who is clearly made of tougher stuff than the rest of us – it must be young blood or his appetite for upcycling that keeps him going when most of us are heading to the cosier inside bench area or looking for a mug of something hot.

Winslow Shed is a community resource, and our priority is to provide a welcoming social space for men with time on their hands. If we can fix or make something to help an individual or community group while we're at it then so much the better. It follows that the job needs to be done here at the Shed and a recent fix we helped with certainly fitted that bill. A wheelchair needed a simple repair and some adjustment to suit its new owner but knowing who to talk to, what work was needed and what it might cost had proved to be an understandable but unnecessary stumbling block to getting things sorted. In the event it cost the price of one new bolt (we've got loads) and an hour or so tinkering in the warm comfort of our social area. If there's something you think we can help with then do

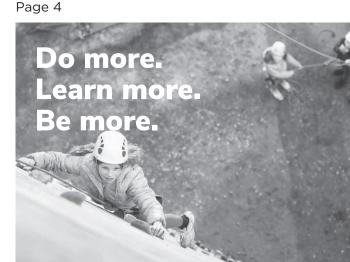

The first of three playground projects for Winslow School - a 'playshop' is now taking shape and it's good to see Dick indulging his new found passion for woodworking. Having honed his skills on countless projects to support the community food cupboard, Dick is now delighting his family with the wooden treasures they never had and probably never thought Dad would be making for them. Dick - we salute you!

drop in for a chat or get in touch.

The Shed is open every Tuesday and Thursday from 10:00-4 :00 at Unit 4, Station Road Ind. Estate. www.MenInShedsWinslow.org.uk Or for more infor call Dave Saunders; 01296 714164.

GARDENING TIMES

We are now in February, and it may seem that there is nothing going on. The garden is asleep, aside from breaking the ice on the bird bath and making sure that all of your fat balls are out for the wildlife you would be forgiven for thinking that there was precious little to do. There are some plants that really appreciate a long growing season. Chillies, peppers, tomatoes and aubergines could all do with being sown on a sunny, warm windowsill at the moment. The abundance of produce will be the reward for biting the bullet and getting them in earlier.

There are more plants than you might imagine that will appreciate getting a head start now alongside these sun lovers, plants that are more suited to our cooler climes. These leafy greens don't like being too hot (it causes them to go straight to seed) and relish the cool.

Prime amongst this pack is Parsley. Germination rates can be quite variable, so you don't want to scrimp on the seed. Legend has it that only fair maidens should sow the seed as once in the soil it works its way down to the Devil. If the seed has been planted by someone who is virtuous (as all maidens are obviously), then Satan spits it out, it works its way back up to the surface and grows into a wonderful culinary herb. If it has been planted by a man, with all of his unvirtuous thoughts, deeds and general vileness, when the seed gets to the devil, he gobbles it up and it is irretrievably lost for ever. However, the cause of Parsley's intermittent germination is quite common in its family (Apiaceae, the same family as Carrot, fennel, celery, parsnip) so I wouldn't worry too much about the state of your soul... although it is never too late to turn over a new leaf.

WINSLOW AND DISTRICT ART SOCIETY

Our weekly meetings continue to be held in Winslow every Thursday morning and Padbury every Tuesday morning. Anyone over age 16 with an interest in visual arts is eligible to become a member subject to a small subscription. We are a friendly and helpful group and anyone who is interested in becoming a member can find more details on our website www.winslowart.org.uk

Demonstrations in a range of media are normally held at Winslow Bowls Club on the last Thursday of each month. Entry is from 7.00 pm for a 7.30 start. Details are:

24 February - Keith Hornblower - Watercolour, Venetian or Thames scene

31 March - Heather Miller - Acrylics

28 April - Tony Jackson - Pastels, still life

If you sow parsley seed now (preferably undercover), then they will be ready to flower their beautiful lime green flowers in mid-spring, attracting all of these wonderful pollinators such as hoverflies and bees into your garden. It is a win-win situation. Flat leafed Parsley has the superior flavour, go for "Giant Italian" or the evocatively named "Plain leaved 2". They are big plants and a 10-litre pot (or planted 30cm apart) is the minimum that you want them in.

Spring is just around the corner, and it is good to know that there are things that you can be getting on with.

Jobs to do this month

- If you have a Buddleia or Elder in your garden that is far too big now is the time to do it, cut them back as hard as you can, don't worry, it'll take more than that to kill them.
- Once snowdrops have finished flowering, this is the time to lift and divide them and spreading them around your garden. Even better you can give some to friends.
- Chit any early potatoes that you are going to grow this year, (this just means putting them in a warmer place to allow them to develop their buds.
- If your hedge is in need of a prune, do it now, before any birds start nesting in there. Similarly now is the time to clean out birdboxes before you get lodgers (but check that it is empty first!)
- Tidy and turn any compost heaps that you may have, this gives room for all of the additions that will come later in the year

26 May - Melissa Wishart - Oil, seascapes

30 June - Stanley Hurr - Watercolour, flowers

These are enjoyable and informative evenings and last about two hours with a break for tea and biscuits. Non-members are welcome to attend, and entry will cost £5.00

Our new Facebook facility is now up and running so please visit us to see what's going on.

GREAT HORWOOD AND SINGLEBOROUGH WI

INSPIRING WOMEN December, held in the village hall,

was a great success with members joining in games and enjoying some festive party food and wine.

Covid prevention measures were observed to ensure that guests were safe and the committee decorated their masks with tinsel and Christmas themes.

With the rise of the highly infectious Omicron variant in early January, it was decided that the Celebrity Quiz for our first meeting in 2022 be held on Zoom. A decision on the February meeting will be taken nearer the time but with infection numbers waning and the majority of symptoms mild, we are hopeful that we will have face to face meetings from next month onwards. Our guest speaker for February will be Ken Brazier talking about the adventure of an old man climbing Kilimanjaro.

Our Walking Group is now 10years old! Karen Wilkinson who started it in January 2012, says it was "partly for the exercise and social side of it and partly to try and encourage WI membership which was on the low side at that time". The group has since gone from strength to strength, moving from fortnightly to weekly walks. "Since being 'allowed out' of lockdown at the end of March 2021 to just before Christmas, we walked a total of 147 miles and enjoyed numerous cups of coffee," says Karen. "If anyone would like to join our rambles, please do get in touch.

We walk on average 3.5 - 5 miles on a Monday morning." Phone Karen for more details on 712933.

If you've recently moved to Great Horwood, the local WI is a great place to meet people and get to know hidden gems in Buckinghamshire. As

A photo of Buckingham during one of our January rambles.

well as monthly meetings with a guest speaker every month, we also enjoy trips to places of interest (not all open to the general public), workshops, lunches and afternoon teas.

Some of our most loyal members were initially reluctant to join the WI but having experienced it are now the strongest advocates. As one new member commented, "Since joining my impression of the W1 has radically changed. I would highly recommend the WI for the friendship and interesting people we get to meet. And not a jar of jam in sight."

If you would like to attend our February 8th meeting to see if the WI is for you, please

contact Ann Biggins annieqqmk@gmail.com 07961 960802. More details can be found on the noticeboard outside the Village Hall.

NEW 60A BUS SERVICE

I am pleased to say that the new 60A bus service for the village which provides 2 trips to Buckingham and 2 trips to Aylesbury from Monday to Friday started to run as promised on 4th January.

You can get the first service to Buckingham at 10.24am and this will get you to Tesco

Buckingham at 10.33am. If you just want to get a few items of shopping in Tesco or Lidl or a Big Mac from the new McDonald's you have time and can then take the return bus at 10.50am arriving back in Great Horwood at 10.59am.

Alternatively, you can continue to the High Street in Buckingham and spend a couple of hours browsing the shops and catch the 12.45 bus back to the village.

If you need to go to Aylesbury for a visit to your bank the first bus from the village leaves at 10.59am and will get you to Aylesbury Bus Station at 11.38am. You will have plenty of time

to do your banking and have a leisurely lunch before catching the 1.45pm bus back to arrive in the village at 2.24pm.

Also, if you are a senior citizen like me the journeys are completely free of charge using your Buckinghamshire Council bus pass.

A copy of the timetable is on the notice board in the High Street.

PARISH COUNCILLOR VACANCY

Great Horwood Parish Council has a vacancy due to the resignation of Clir. Mayne and we would PARISH COUNCIL very much like to hear from any resident willing to become a coopted member of the Council. If you care about our community,

like meeting people and have some time and energy, you might be the person we need to fulfill this very important role.

Councillors represent the interests of the whole community and can contribute towards a wide variety of topics. Over the years, the Parish Council has devised a Neighbourhood Plan, commented on many planning applications, contributed to the management of Horwode Pece and the Village Hall and overseen the recent housing developments in the village.

Parish Council meetings are held in the Village Hall at 7.30pm on the 2nd Monday of every month except for January and August.

If you are interested, please contact the Clerk on the details below. An informal chat can be arranged with a Councillor to find out more.

THANK YOU, ANGELA

The Parish Council would like to thank Cllr Angela Mayne for her service to the village during the past 10 years. We send our good wishes to you as you look forward to a more relaxing time when you leave the village.

THE QUEEN'S PLATINUM JUBILEE 2022

As you will all know, the Queen is celebrating her Platinum Jubilee this year and we have a four-day weekend to look forward to from Thursday 2nd June to Sunday 5th June. It would be very fitting if Great

Horwood could make an occasion of this - after all, it's not going to happen again!

So far, we have planned the following:

Thursday 2nd June - The Great Horwood Silver Band will be playing on The Green in the evening. This will lead up to a bugler playing a specially written piece, the unique Bugle Call 'Majesty' at 9.40pm followed by the beacon lighting at 9.45pm. So far, there are 1500 beacons that have been registered and will be lit throughout the United Kingdon, Channel Islands, Isle of Man, and UK Overseas Territories.

There are many ways that have been launched to celebrate this historic occasion. Have a look at https://www.royal.uk/platinum-jubilee-centralweekend to find out more.

Another long-standing tradition, as well as beacon lighting is street parties and tea parties, large and small. Many of you may remember the Picnic on the Pece that has been held during past summers.

The Big Jubilee Lunch has been launched for the Sunday, which could take place at Horwode Pece if there was enough interest.

There will also be The Platinum Jubilee Pageant taking place in London which is a festival of creativity including artistic performers, dancers and musicians to name but a few. We all know there are many talented individuals in the village who I'm sure would make a great job of entertaining us if they would like to.

If you would like to express an interest in organising or helping with either of the above, or have any other ideas, please let me know as soon as possible so we can look into other events being organised if there is enough interest.
