

FOCUS

PARISH COUNCIL SET PRIORITIES FOR 2016

At the well-attended Annual Parish meeting on the 11th of April, council chairman John Scholtens outlined the major issues and priorities for this coming year and beyond.

The biggest issue facing the parish and its council is to ensure the village is developed in accordance with the Neighbourhood Plan. One element of this is continuing to work with developers, landowners and AVDC to progress the 3 housing sites agreed in the plan. But the main challenge is to oppose several planning applications that directly contravene the plan. This includes not only the Taylor Wimpey/Weston Road application, but also the Willow Road proposal for 34 houses that is awaiting a decision, the Old Mill appeal and an expected submission from Gladman for 1,200 houses, over half of which will be within our parish boundary.

Other priorities, as determined by the emerging Great Horwood Parish Plan 2016, are:

- Safeguarding the Parish environment including maintenance of The Green, paths and lighting, as well the services recently taken over from Bucks County Council such as grass cutting
- Provision of recreational facilities for younger people and other groups
- Making the parish roads safer and provision of footpaths and cycle ways
- Supporting existing community facilities and developing new ones

A more detailed report from the annual parish meeting can be read in the chairman's regular monthly update in this edition of FOCUS.

Horwode Pece Recreation Ground

A band of merry men were busy at the Rec last month repairing tables, equipment and edging ready for the better weather. We have still got to replace the football nets but that is fairly imminent. The slide we are hoping to purchase is proving to be a challenge because the cost to have it installed and put the necessary safety flooring down is adding a huge chunk to the bill. Therefore we need to re-assess what we can do and how we can afford it. Applying for a grant is a potential option but all takes time.

Our thanks go to our small group of non-committee volunteers, checking the equipment, rubbish bin emptying and general help on working party days, you make a big difference and are very much appreciated.

The village recreation ground is an outside space for everyone to use, owned the Great Horwood and Singleborough Recreation Trust. The Trust is hoping to hold two new village events there:

- A firework display for 2016 •

- A Summer Solstice party for June 2017 •

Planning of these two events has commenced and we're sure they will be popular. The Rec is being measured to make sure the fallout area is sufficient and that the electric cables won't be a problem for fireworks, and there have been lots of ideas about themes, catering and dancing for a party next year.

The kettle will be on at 13 The Close on Monday May 16th at 8pm so please feel free to come and join us to help plan for these events.

Jane Holland & Cathy Holland

The Village Fete

A meeting was held last month to start co-ordinating the fete this year which will be held on **Saturday 2nd July** on The Green. There will be the usual stalls and side shows and hopefully a few attractions too. **If you would like to get involved in any way, please contact me.** All help and support gratefully received before and on the day. Look out for another article in next month's Focus for more details.

David Brazier - 714712

Thank you

Thank you to Graeme and Gary at The Swan Inn and the generous people of the village who attended the pub Quiz Night on 3rd of April and contributed £150 for Prostate Cancer UK as part of my London Marathon run fund-raising.

Dog Fouling at Horwode Pece

It has been brought to our attention that there is still a dog fouling problem at the Horwood Pece Recreation Ground. Many of the Parish Council, Horwood Pece Trust and Management committee are dog owners themselves, and the latter are determined that the Rec remains in use for everyone in the village including dog walkers. But if a child falls into poo and contracts toxocariasis (look it up, its not nice and can cause blindness as well as other health problems), who will the family blame?

The volunteers who take care of HP are reluctant to ban dogs, but if this continues they may have no choice. So please **pick up your dog's poo**.

Road issues

I pressed Transport for Bucks (TfB) for information about the proposed A421 road closures. TfB confirmed that a daytime road closure request had been made for 1st April until July, (Nash roundabout to Buckingham). This is a block booking to allow for programme slippage and weather conditions. Minor repairs that can only be done in good weather are still required (including laying surface chippings). TfB have promised to advise the PC when the work will start and ensure access for local traffic.

Residents have been in touch about Adstock Bulk Solutions lorries driving through the village (to avoid the failed road surface at the top of Pilch Lane). Pilch Lane is now suffering with evidence of new subsidence. The matter is being looked at but there appears to be little we can do. Pilch Lane is a public road and the "unsuitable for HGV" sign is only advisory. TfB can do nothing and Adstock Parish Council have not been helpful. Residents of the Lane are writing to the company to ask them to use the Adstock exit (they have 2). **If you feel strongly enough, I suggest you do the same.** Please contact Mr J Nicholson, Pilch Farm, Pilch Lane, Adstock, Milton Keynes, MK17 ONX or email fergus.okelly@adstockbulk.com. Alternatively you can contact County Councillor John Chilver at jchilver@buckscc.gov.uk. Sadly, road repairs will not be made to the Lane once ABS have stopped using it, although it has been suggested they may help repair the verges.

Message from PCSO Wendy Taylor

Thefts from vehicles and outbuildings

We are still experiencing thefts from vans where tools are the items of choice to be taken by offenders. Our recommendation to empty the van of tools at the end of a working day still stands as the best advice, however inconvenient it is. If this is too inconvenient, then please take time look at your vehicle from an offender's viewpoint and reinforce all security to reduce opportunities for offenders to benefit from your loss. If you need help with this, please call the Neighbourhood team who will be happy to offer appropriate advice.

We will be arranging some marking days for people to bring tools, garden tools, saddlery, prams and bikes to us so we can add your postcode to the item. Information will be issued about this very soon. However, bear in mind that the Winslow Police Office is open to the public from 10:00-14:00 and if you would like to bring items to the office during this time we can mark them for you without you having to wait for an event.

Ever wondered if that second hand bargain is too good to be true?

Most second-hand items are sold by the rightful owners. Unfortunately, some goods for sale may have been stolen. If second-hand goods are offered at prices that appear too good to be true, carefully consider whether the item could have been stolen.

Most people do not want to buy stolen goods and do not choose to support burglary. When buying at a car boot sale or via an online auction site, the classified ads or elsewhere, it is important to consider if a bargain really is just too good to be true.

That bargain might just be stolen and, though cheap to you, will come at a cost to the victim. That could be an elderly victim of theft, a child who misses their bike or a member of the public just like you. Items found to be stolen can be seized by the police and so you could end up with nothing.

Please think carefully before buying expensive items from market stalls or car boot sales and be wary of people selling more than one expensive second hand item. Together we can protect victims and show thieves that crime doesn't pay by refusing to buy stolen items.

If you are not sure where an item you're considering buying has come from please do not buy it. Call 101 to let us know or Crimestoppers if you prefer to remain anonymous.

Rural Crime

Spring is on its way and it is the time of year when farmers are hard at work with lambing. We have already had several reports of dogs worrying sheep again to the point where one farmer had to shoot the dog - an action he is perfectly entitled to do.

This is a gentle reminder to all those who walk dogs. If the dog you are in charge of is not obedient to your voice, please ensure you keep it on a lead. Worrying

sheep can cause abortion/premature birth/death in sheep at huge commercial cost to the farmer.

Please also ensure you pick up after you dogs. The health hazard to sheep and cows is high and can again cause abortion. Please don't assume that you only need to pick up after your dogs in parks, footpaths and pavements. It is essential you pick up every time your dog leaves a mess.

Microchipping

The compulsory microchipping of dogs came into force on 6 April 2016; please do not forget to get your dogs microchipped if you have not already done so!

Wendy Taylor

WI

We had a very enjoyable April annual dinner where we catered for 28 members and guests. Many wore hats to celebrate the Queens 90th birthday.

Several members visited a local Alpaca Farm and learnt about keeping Alpacas and the process of the wool from animal to garment. We also learnt when to step back from an Alpaca to avoid the spitting!

Our next meeting in May is a Portrait Demonstration by Zoe Day.

Visitors are always welcome. For more information please contact Karen Wilkinson on 712933 or Angela Mayne on 715400

**Medical
Detection Dogs**

Patron: HRH The Duchess of Cornwall

Dogs saving lives

Anne Robinson, the TV presenter and former *Weakest Link* and *Watchdog* host has become an ambassador to the Great Horwood-based charity Medical Detection Dogs.

Medical Detection Dogs trains dogs to use their remarkable olfactory powers to detect cancer in urine or breath samples. In training trials they have been shown to achieve a reliability of 93 per cent, much higher than many existing tests used by the NHS.

The charity also provides life-saving support to individuals with long-term serious conditions such as brittle type one diabetes, by training dogs to be alert to assist them. The dogs alert their diabetic partners to dangerous falls in their sugar levels and prompt them to take their medication before they suffer a hypoglycaemic attack.

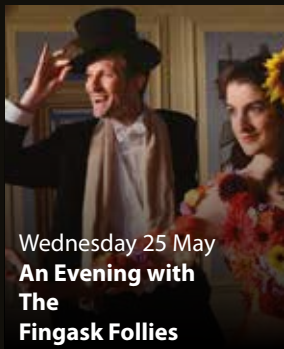

The charity is currently running two clinical trials: one in partnership with the NHS Milton Keynes University Hospital into prostate, kidney and bladder cancer using urine samples, and another into breast cancer using breath samples.

CEO and co-founder of Medical Detection Dogs, Dr Claire Guest commented: *"With help from Anne and others, we can step up our fundraising efforts. We receive no government funding and rely entirely on kind donations from the public. So with a boost to our resources, we can turn our research into reality and to begin saving thousands of lives as soon as possible."*

News from Great Horwood and Singleborough Youth Club

I am pleased to let you know that on 19th March our Youth Club in partnership with the Great Horwood Silver Band put on a great fund raising event. We all enjoyed a delicious tea served by the Youth Club whilst listening to the fantastic Silver Band accompanied by 2 members of the Youth Club singing popular songs. We raised £465 which we are sharing equally between the Youth Club and the NSPCC.

Everybody who came said they enjoyed themselves, which was very encouraging. Thanks to all who performed and also to those who toiled tirelessly behind the scenes.

I should also mention that Bucks L.A.F. very generously supported this event financially. Without this funding we would not have been able to cover the actual cost.

This event is a further demonstration that the Youth Club supports the Young People to reach their potential, to serve their Community and to volunteer to support a charity for those less fortunate than themselves.

Monica Gilbey (Chair and leader)

Stowe House and grounds

Stowe House is one of the most magnificent stately homes in the country and it's on your doorstep!

This summer, Stowe celebrates the 300th anniversary and the immense legacy of Capability Brown in events around the splendid House and grounds.

On **12th May** you can listen to traditional Welsh music from **Calan** who blast their way through some old favourite reels, jigs and hornpipes with fast paced and uplifting arrangements before melting into some of the most beautiful and haunting songs.

Enjoy a return to old fashioned drawing room entertainment that has charmed audiences in castles and country houses across the nation at a black tie dinner and evening of salubrious delights with the **Follies revue. The pre-show drinks reception begins at 6.15pm on Wednesday 25th May** and the evening is rounded off with coffees in the glorious state rooms of Stowe House.

On **27th May** Stowe hosts an evening of 80s classics from the iconic vocalist and legendary lead singer of **Spandau Ballet: Tony Hadley.**

Shakespeare in the grounds of Stowe by the inimitable troupe of players The HandleBards sees a rib-tickling *Much Ado about Nothing* on **17th June** and a rip-roaring *Richard III* the following evening on **18th June.**

And enjoy a stunning view during your pre-show picnics.

Ticket prices and information are on the website and the ad opposite.

Esther Jackson

Great Horwood Silver Band

At the band's annual concert Musical Director Simon Martin reluctantly said goodbye. Simon has been with us for four years but owing to moving house and employment he has found it too far to travel. We wish Simon all the best for the future and thank him very much for all he has done. At the recent AGM we welcomed Graham Saunders as our new Musical Director. Graham has been a playing member of the band for many years.

The band played for the Youth Club Tea at the Ritz Party on the 19th March which was a great occasion. Hannah Moyles and Evie Sirett sang several songs with the band which were very well received. Both girls have lovely singing voices and earned well deserved applause from an appreciative audience. We thank Paul Lack for the loan of his wired microphones. Thanks also to Monica and John Gilbey and all their helpers for a very enjoyable afternoon.

The band's next concert will be the **Bob Hart Memorial Concert on Saturday 21st May in the Winslow Public Hall.** Entry on the door is £7 and £5 concessions. All proceeds from the Concert will go to the local Downs syndrome charity.

Last year the band raised £1135 for local and national charities.

100 Club winners for March: Sue Hotard £12
Matthew Godwin £8

The band's new website is now under construction and is on line at www.greathorwoodband.com. Visitors to the site may be asked to verify that the site is safe. If that happens please follow the very simple guide. Doing so will help the site become more accessible to search engines such as Google. The old website will eventually be taken off line when the new one is complete.

Beryl Lack

Lions Club of Winslow

11 years of empty barrels for charity!

The Lions Club of Winslow would like to say a big thank you to everyone who joined us in drinking for charity at our 11th Winslow Beer Festival,

with many barrels emptied over the course of three sessions.

With over forty barrels of varying beers and ciders, there was plenty of choice for everyone. We had beers ranging from the ever favourite Lancaster Bomber from Thwaites Brewery in Lancashire to Bright Nails brewed by Vale Brewery specifically for our festival and honouring our Prime Sponsor, Bright Nails who have been main sponsor for all 11 festivals.

Peter Wood, Lions Club of Winslow opened this year's festival and thanked all of this year's sponsors. We would also like to say thank you to Vale Brewery who again helped us to source the beers and ciders from various breweries up and down the country. Without them our festival would not happen.

With three 6 Nations games on Saturday afternoon, we were inundated with rugby fans who wanted to help us raise money for charity and watch an afternoon of rugby that will live long in the memory, with England beating France to win the Grand Slam.

Our final session on Saturday evening gave plenty of people the chance to taste their favourite beers of the festival, with some of the most popular being Lion from Hook Norton Brewery and Masquerade from Monty's Brewery

We would like to say a final thank you to all of our barrel sponsors. As a result of their support and everybody else who contributed to the Festival, we managed to raise a grand total of just under £9000 - cheers everyone - here's to next year!

Grass Cutting in Great Horwood and Singleborough

As I reported last month the Parish Council has taken over the responsibility for cutting the grass on the verges in the parish within the 30/40 mph limits (known as urban grass cutting). This includes the verges within the 30mph limits in Singleborough.

Ian Walker of Walker Grounds and his partner did the first cut within the 30mph zones in Great Horwood village and also in Singleborough on Tuesday 12th April and the verges in Nash Road within the 40mph zone soon after.

Ian had already done the first cut of the grass on Horwode Pece the week before and so he will be a regular visitor to the parish from April through to October each year.

As well as cutting our verges he is also carrying out the same role for Winslow Town Council and for Little Horwood and Nash Parish Councils. Where Buckinghamshire County Council have retained the cutting of urban verges it has confirmed that they will only be done on 4 occasions in the current year.

Please note that the cutting of the grass on the verges outside the 30/40mph limits (known as rural grass cutting) remains the responsibility of Bucks CC and it seems that it is likely these will be cut once or twice during the coming season.

In the meantime if you have any questions please email me at john@gilbey98.freeserve.co.uk.

Chairman's Monthly Report : Last Meeting – Monday 11 April 2016

Introduction

Great Horwood
Parish Council

Parish Plan 2016.

At last Spring is really on the way, with both the leaves and roadworks breaking out all over the place. After the recent period dominated by planning issues, we are now looking forward to making progress with our

Parish Updates

Planning

Consultee comments for the Weston Road Planning Inquiry have been made and the Planning Inspector, in early May, is due to make his report and recommendations to Greg Clark the Secretary of State.

Elsewhere, AVDC decisions on planning matters remain slow and we still have no decision concerning the Nash Park traveller site for which the temporary permission expired in November 2015 or on the Willow Road large-scale development proposal.

Speedwatch

The Speed Watch Campaign has begun but we would like some more local volunteers particularly from Singleborough where we also wish to perform some traffic monitoring. If you are able to help, please contact the Parish Clerk on clerk@greathorwoodpc.org.uk or telephone 715829. Cars have been monitored travelling at up to 43 mph on the Winslow Road so we know there is a problem. On the plus side we have noticed that just having the camera in place has made drivers more aware of the speed limit.

Annual Parish Meeting

The Annual Parish Meeting took place on Monday 11th April at 7.30pm in the Village Hall with some 40 attendees. My full Chairman's Report is lodged on our parish council website (<http://www.bucksvoice.net/greathorwoodpc/>).

An important part of the evening was the presentations by representatives of our parish organisations who described their memories, achievements, issues and plans. It was pleasing that this was well attended by so many people and particularly the volunteers, reflecting the kind and generous spirit of many in our community: Monica Gilbey and 6 youngsters (Youth Club), Peter Brooker (Medical Detection Dogs), Paul Hodson (BCC Localities and Communities Manager), John Chilver (our County Councillor), Wendy Taylor (our local PCSO), David Saunders (from our Neighbourhood Planning Team), Becky Porter (Rainbows), Gill Wood (Village Hall), Karen Wilkinson (WI), John Huskinson (School, PTA, School Crossing Patrol and Speedwatch), Roy Lack (Silver Band), Vyv Rudd (Football Club), John Nicholls (Great Horwood & Singleborough Recreation Trust), David Brazier (St James' Church) and a written report from John Goodger (Cricket Club).

It was also the chance for me to review the issues dominating the last year for our council and outline the priorities and key issues for the coming year. In summary, the Parish Council had a large changeover and for the first time in many years has a full complement of councillors! We also bid farewell to our fabulous clerk of many years Karen Francis and greeted her new and extremely enthusiastic successor Mandy Cliffe.

During the last year, following our questionnaire survey and consultation event, we have made considerable progress with the Great Horwood Parish Plan 2016. Of special note, we have taken over from Buckinghamshire County Council the devolved services of grass cutting, chasing up landowners for hedge trimming if necessary, right of way maintaining of accessibility, signage supervision and minor maintenance, footway weeding/monitoring and maintaining the Risk Assessments and Register. We have

continued our enthusiastic support of the Horwode Pece recreation facility and play area.

During the coming year and indeed beyond, GH PC priorities will be driven by the emerging Great Horwood Parish Plan 2016 and its attendant Action Plan. In broad terms this means:

- **Influence** – making sure that the Parish voice is heard through Parish Council representation especially around housing provision for the Parish.
- **Recreation** – supporting facilities for younger people in particular at Horwode Pece but also facilities for other groups.
- **Road Traffic Impact** – making the Parish roads safer including endeavouring to provide new footpaths and cycle ways.
- **Environment** – safeguarding the Parish environment including maintenance of The Green, paths and street lights.
- **Community** – supporting valued community facilities and developing new ones.

The biggest issue confronting the parish is the large planning applications that are or will be submitted in direct contravention of the Great Horwood Parish Neighbourhood Plan. Apart from Weston Road, we still have the Willow Road application awaiting determination, we have the Old Mill application waiting for the result of the appeal and we are expecting an application from Gladman for 1,200 homes north of Winslow which will include 650 within our parish boundary. Clearly these potential developments would have a major effect on the future character of the parish. The Parish Council will of course oppose these unwelcome proposals and keep you all aware of progress and any related issues.

With respect to the Great Horwood Parish Neighbourhood Plan, we have already had consultations with developers/architects for the 3 housing development sites identified in the Plan and will continue to work with them, AVDC, and local landowners, to see the successful implementation of the developments.

Additionally, we will endeavour to get the School Crossing Patrol preliminary work done including the marking of lines outside St James' Church and fixing of warning lights. Also, we're currently seeking to recruit a Lollipop Lady/Man.

Parish Council Website, Meetings and Suggestions

For a more comprehensive report of the latest or indeed previous Parish Council meetings, please read the Minutes published on the website. (<http://www.bucksvoice.net/greathorwoodpc/>). This website also has updates of items on its latest news page and lots of information about the parish.

If you have any items that you would like to bring to the Council's attention, please contact the Clerk or any of the Councillors, or otherwise, we are always pleased to welcome residents to our monthly meeting where we include a public participation period where you can raise an item directly. The next meeting of the Council will take place in the **Village Hall at 7.30pm on Monday 9th May.**

COMMUNITY PRODUCE SHOW

Saturday 3rd September

Anyone from the village or with children at the school can enter. Cost is £1 per entry.

There will be categories of all sorts, from making cakes, baking rolls, crafting and flower displaying, to growing your own fruit and veg, photographing village life or producing your own jam, chutney and drinks!!

You can enter as many categories as you like, but only one entry in each category. All entries will be accepted into the show but if they are not up to the judges standards then no first prize will be presented.

Plan for 3rd September:

- **8am – 11am: Set up your entry/ies (£1 per entry)**
- **11am – 1pm: Judging will take place**
- **2pm: Show opens. Visit and view yours and others entries, buy tea, cakes and scones. Enter the raffle**
- **4pm – 5pm: Remove entries**

Start planning growing, making, bottling, photographing - now!!

A full schedule along with an entry form can be found in this edition of FOCUS.

**For more information contact:
Paul Robertson on 07866748919
