

## Scouting & Guiding: Join the Fun Now

In our village we are lucky to have many children and young people who are eager to make friends, have fun, learn new skills and gain more confidence; and who would love to help you to do the same. Scouting and Guiding provides all of these things and more for child and adult members alike. In Great Horwood and Singleborough we have the children but, **for the fun to continue, we need adult volunteers and we need them now.**

Thank you to Trevor, Sadie and Paul who led our Cub group until very recently. Sadly, they are no longer able to continue and, unless new leaders are found now, **Cubs** (boys & girls aged 8-10½ ) **will close down in January. Please don't let that happen.**

The remaining groups - Scouts, Brownies and Rainbows – are thriving but also at risk if we don't keep the Cub unit running &/or reopen the Beavers (boys & girls aged 6-8) or Guides (girls aged 10-14) because we won't have the income to maintain and run our Scout and Guide HQ.

**What's in it for you?** Volunteering with Scouts and Guides is great for your CV or your university application. You'll gain leadership skills, first aid training and more, all provided free of charge. Leading a Guiding or Scouting unit is hugely rewarding and entertaining. The children are so full of energy and enthusiasm that they lift your spirits. It is a privilege to be able to help them develop as confident, considerate young people.

**Who are we looking for?** Anyone over 18 who has some spare time and enthusiasm and is willing to be police checked. (Age 14-18 for Young Leaders helping with a group.) You don't need to have children yourself or have any previous experience of Guiding or Scouting. There is no upper age limit. These roles are perfect for people who have retired or whose own children have flown the nest, or for individuals who'd like to meet new people. **Please consider volunteering now. The children really need you.**

If you would like to volunteer, or for more information, please contact for Cubs or Beavers: Justin Daley (0786 966811 or [justin@daley18.plus.com](mailto:justin@daley18.plus.com) ) or for Guides: Clare Martin (01296 712034 or [claremartin71@btinternet.com](mailto:claremartin71@btinternet.com) ).

We would also like to take this opportunity to thank Justin Daley very much for everything that he has done for village Scouting over the past 12 years, first as Cub leader and then as Group Scout Leader. Work and family commitments now prevent him from continuing, so **we also need a new Group Scout Leader as well as committee members** to organise fund-raising and the practicalities of maintaining our building. **Please let us know if you can help.**

## Horwode Pece

Sadly we have to report that two of our three new BBQ's have been stolen.

Dogs not being kept on their leads around the play area are still being reported to Committee Members though thankfully the volume of dog poo left uncollected seems to be less. Please may we remind all dog owners/walkers that their dogs may be unleashed after the FURTHEST goal and that the poo still needs to be picked up and disposed of correctly.

We have had top up woodchip delivered and spread over both play areas, re-filling them nicely.

Liz Nicholls, one of our founder members has resigned. We would like to thank her for all her hard work over the many years.

To achieve the best display we buy our fireworks from a reputable manufacturer who helps us with the safety aspect of the display by insisting on sending some of our Lions for training.

## Great Horwood Silver Band

The Concert on Saturday 11th October for the Buckingham Twinning Association went well and was well attended. The band played a varied programme which included a medley of French music. Solos were expertly played by Vicki Cook on Flugel horn, Emma Mainwaring on Cornet and Roy Lack on Euphonium, as was the Trombone trio played by Andrew Cook, Paul Lack and Lauren Cook. All were much appreciated by the audience and we received many favourable comments about the band's playing. The band finished the programme with the popular "Fantasia on British Sea Songs." by Sir Henry Wood.

The band's next engagement will be the Remembrance day parade and service in Winslow on **Sunday 9th November.**

We are hoping to arrange a concert in memory of Zoe Laborda, one of our tenor horn players who died last year. All proceeds from the concert will go to Zoe's favourite charity. We hope to hold the concert in Hanslope where Zoe lived for much of her life.

December will be a very busy time for the band, starting with the Christmas Concert in Great Horwood Village Hall on Sunday 7th December 3pm. All proceeds from the Concert will go to the Great Horwood Youth Club. Entry to the Concert will be free; there will be a raffle, refreshments and a collection. The Youth club has kindly offered to make cakes for the occasion. We hope you will come along and support this worthy cause.

Friday 12th December sees the band playing carols at Tesco Buckingham from 6pm. On Saturday 13th and Sunday 14th December groups from the band will be playing in the Buckingham Garden Centre from 10am. Thursday 18th we return again to Tesco at 6pm. On Tuesday 23rd December a group will play round the Christmas tree in Adstock. Christmas eve will see the band playing carols around Great Horwood and on Christmas morning some members who live in and near Great Horwood will play around the Village.

We still have a few Band CDs left for sale. If you wish to purchase a CD either for yourself or for a Christmas Present please ask any band member or contact Beryl on 01908 510809 and we would be pleased to get one to you.

100 Club Winners were:

Pat Mould £12.

Keith Mould £8.

## Message from PCSO Wendy Taylor

### Vehicle Crime

Again this month we have had to attend thefts from vehicles which were mainly the theft of tools from vans. We know it's a real nuisance to have to empty the van after each day at work, and it is probably the last thing you want to do after a busy day, but we would encourage vehicle owners to remove all valuable items from the vehicle to avoid becoming a victim of this type of crime, along with the extra problems and expense which result. Please mark all of your tools with your house number and postcode. There are 2 benefits to this:

- Should police locate stolen items, this will enable positive identification of the property proving that it does not belong to the thief. Without this proof it may be necessary to return possible stolen items back to the suspected thief.
- Having recovered stolen items, correct security marking will assist police in returning the property to the rightful owner. Marking can easily be done with an engraver which can be purchased via the internet or any good tool retailer. They are not expensive and could prove to be a good investment. The Winslow & District Neighbourhood Policing team are also happy to carry out security marking on property by appointment, and will also be arranging future property marking events in and around Winslow. These events will be published locally.

### Bike theft crime prevention advice

The Winslow & District Neighbourhood Policing Team is asking residents to be extra vigilant after a recent spate of thefts of bikes in the Aylesbury area. A number of offences have taken place in gardens, sheds and garages of residential properties as well as public spaces. The team is advising residents to consider the following crime prevention advice:

- Get a good bike lock. Look for the Sold Secure logo on approved locks.
- Always lock your bike at home and when out and about.
- Always lock your bike, even if you're only leaving it for a couple of minutes.
- If you have quick-release wheels, lock them up as well.
- Remove lights from the bike and take them with you.
- Identify and register your bike using BikeRegister: <https://www.bikeregister.com/>

For further crime prevention advice please visit:

<http://www.thamesvalley.police.uk/bike-theft>.

If you have any information relating to bike thefts within the Aylesbury Vale local policing area, please call us on the usual phone number, 101.

Wendy Taylor

## W.I News

We have had a busy October – hosting the Group meeting on 7th, when we welcomed over 50 members from the Winslow, Stewkley and Drayton Parslow Institutes and a few visitors. Dr Annie Gray, a regular contributor to TV programmes such as Great British Bake Off, entertained us with a lively history of tea drinking. Great Horwood members supplied a fantastic selection of cakes to enjoy.

Our regular meeting on 14th was well attended and we all enjoyed Samantha Whitehead's passion and knowledge about bees and honey. We heard how she suffered from asthma as a child when she wasn't keen on honey despite coming from a family of apiarists. However, after a few years as a nursery nurse she started to investigate the beneficial properties of honey and other bee products. Latterly she has set up her own company "Natural Pampering" and makes all the skin care products herself, as well as beautiful beeswax candles. Sam's dad Colin then took us through the year in the hive, and we heard about the difficulties facing the bees, including disease and the weather.

Check out Sam's website for more information on natural skincare and honey – and lovely products. [www.naturalpampering.co.uk](http://www.naturalpampering.co.uk)

Tip to help bees – have some flowers in your garden that flower in June when there is a gap in the flowering crops.

Next meeting: AGM with wine and cheese, and silk scarf dyeing, on Tuesday 11th November at 7.30pm in the Village hall.

Ann Biggins

# Chairman's Monthly Report

## Last Meeting – Monday 13<sup>th</sup> October 2014

Great Horwood  
Parish Council

### Neighbourhood Plan

Following on from the publicity period for the Plan on the AVDC website, the representations have now been published on that website. An independent examiner has been appointed and the Plan, along with its supporting documents and responses were sent to him on 30<sup>th</sup> of September. **He has now decided that there will be a Hearing.** AVDC will identify a suitable local venue and date in conjunction with the Examiner. They will then display a public notice, publish a press notice and of course publicise the Hearing on the Council website, as will your Parish Council.

### Taylor Wimpey Planning Application 14/01540/APP (Amended)

The Planning Application for 45 houses on land off Weston Road has been amended with 3 less houses, a relocated attenuation pond on land adjoining the site to the south and a new Locally Equipped Area of Play on the south east side. We have advised AVDC that these changes make no material difference to our grounds for objection. The Application will have to be re-submitted due to procedural formalities and we await the next step before it possibly goes before the AVDC Strategic Development Management Committee. This will potentially be a test case for AVDC to assess in the light of its confliction with our, now mature, draft Neighbourhood Plan.

### Cross Parish Proposed Action Concerning AVDC's Policy for Traveller Sites

We have been advised that three parish councils in the Worminghall area of mid Bucks are proposing cross parish action to challenge AVDC on their lack of progress with a coherent policy for Travellers sites and adequate provision thereof. They are concerned about the current ad hoc nature of applications by Travellers for sites in several areas in the absence of alternative provision. Great Horwood Parish Council along with neighbouring Nash Parish Council is also concerned about the "Nash Park" Traveller site between Great Horwood and Nash due to the possibility of an extension beyond the existing Nov 2015 deadline due to lack of alternative provision. We have agreed to support cross parish representation to AVDC but if not timely or forthcoming, that we would take action ourselves. A meeting has also been proposed between AVDC and Nash and Great Horwood Parish Councils to seek progress.

### Replacement of Water Main on The Green

Anglian Water have asked for the village green to be deregistered so that they can replace an old water main more easily. The key problem is that The Green is registered as a village green which therefore has protected rights and means that the surface cannot be disturbed. Furthermore, it would entail significant cost and necessitate a replacement area to be nominated. Even if the PC was willing to give permission for these works to be done, it is out of their hands as the ultimate decision is made by the Secretary of State. One alternative would be for a brand new main to be installed under the main road round the perimeter of the Green. This would cause disruption to traffic for a number of weeks but the PC felt it was a better decision than deregistering the village green with all the ensuing ramifications. The Clerk will seek clarification of the legalities of authorising ground works before she responds to Anglian Water

### Flooding on The Green

Cllr Mayne has obtained three quotes to deal with the problem of flooding on The Green when heavy rainfall occurs. However, progress with a possible soak away will have to wait until we have gained legal clarification concerning the legality of ground works on The Green.

### Defibrillator for the Village

The Village Hall Committee has agreed to the siting of an emergency defibrillator on the front wall of the Village Hall. Cllr Mayne will now contact the Ambulance service to confirm prices and establish the next steps.

### Planting of Winter Planters

We have agreed the replacement of the summer plants with winter plants in the Planters on the edge of Great Horwood and Singleborough.

### Parish Council Website

For a more comprehensive report of the Parish Council meeting please read the minutes published on the website. (<http://www.bucksvoice.net/greathorwoodpc/>). This website also has updates of items on its latest news page.

If you have any items that you would like to bring to the Council's attention at any time please contact either the Clerk or any Councillor and we are pleased to welcome residents to our monthly meeting during which we always have a public participation period.

The next meeting is to be held on **Village Hall at 7.30pm on Monday 10th November.**

**HELPERS WANTED FOR LOCAL GROUP**

#### Wednesday or Thursday mornings near Mursley

If you love children and/or ponies and could spare a couple of hours each Wednesday morning during school terms we would like to hear from you. Your local RDA group urgently needs some more helpers. Training will be given and you do not need to have handled ponies before. Although called 'Wing' RDA we meet at Mursley Hall Farm.

The benefits gained by children with special needs as a result of horse riding have to be seen to be believed. It is also an enjoyable and rewarding experience for the volunteers too who enjoy a great camaraderie.
