## **GREAT HORWOOD FETE & DOG SHOW**

What a fantastic day back on Saturday 3<sup>rd</sup> July. It was a wonderful village event which brought the whole community together... I can't remember when the Fete and Dog Show has ever been busier. The main beneficiary was the much-needed funds to repair the Church Roof. £2800 was a brilliant effort.

I would just like to thank everyone involved for making it a day to remember and a chance for our community to get together after all the lockdowns.

So here goes: to the WI for their ongoing support, The Silver Band, the Scouting organisations, the School & PTA, all the wonderful stall holders, and all the helpers on the day with gazebos, tables and chairs.

Thanks to Tim for coming back to do the BBQ again this year,

The Shoulder of Mutton for providing the beer for the bar and Sean & Sara for serving it.

A huge thank you to the Dog Show team led by Lou, and for our excellent judge Brian.

Finally, a massive thank you to the organizing team of the Fete & Dog Show:

### **Church Times**

All our services are at 11.00 on Sundays. We are gradually getting back to normal services and now can once again enjoy singing hymns and having tea and coffee after the services. The Service on the 26th of September will be to celebrate our Harvest Festival and we will once again be accepting donations of food items which will be donated to Milton Keynes food Bank after the service.

David Brazier & June Margerrison, Churchwardens

#### **SAINT JAMES GIVING DAY**

Our annual giving day is on Saturday 25th of September between 10.00 and 13.00 at Saint James. There is a giving envelope enclosed in Focus so bring it along on the day or hand it to any member of the congregation. If you would specifically like your donation to go to the Church Roof Appeal please write 'Roof' on the envelope. If you would like to make a donation by card please call Russell on 714554 to arrange.

#### CHURCH CLEANER REQUIRED

Can you spare a couple of hours once a fortnight to help keep the church clean?

We need a little help and are happy for the hours to suit the individual £15.00 per hour. If interested please call David on 714712 or June on 714554

#### ■ 1ST GREAT HORWOOD SCOUT GROUP

Well what a year it has been!!

We have worked online via Zoom with the Young People but are now fully back to face-to-face Scouting and have been since March.

Our numbers of Young People have increased over this last term, and we are now looking to recruit more Adults.

Volunteering is on a more flexible basis now and we have a number of roles open.

If you are looking to add to your CV or work in the community then why not try our 4-week challenge in September.

The Young people and Adults have enjoyed enormously being part of village life, taking part in the Village Litter Pick and the Village Fete and are always looking at ways to help and support the Village.

This term sees all the sections going off on residentials; oh the joys of camping, nothing like sitting round a campfire!!!

For more information on volunteering please contact:

Yvonne Taylor, Group Scout Leader adcbandc@uwclub.net 07931 585926

#### GREAT HORWOOD SCHOOL

Vacancy: Breakfast Club Supervisor
Great Horwood
Church of England Primary School
Fixed term initially for 1 year,
term time only, 38 weeks
Monday to Friday 7.40am-8.40am
£8.91 per hour

Great Horwood School is a warm welcoming learning community where our children and staff "learn and grow together" with a commitment to high achievement and raising the standards of all. We are looking for an amazing person to lead our growing breakfast club, supervise making and eating breakfast, and organise activities for the children until registration time at 8.40am

If you are interested in this position please visit the vacancy page on the school website https://www.greathorwood.bucks.sch.uk/vacancies/ or email the school of-fice office@greatHorwoodschool.org and we will be in contact with you.

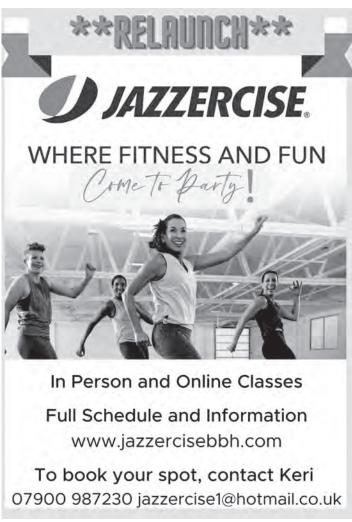

## GREAT HORWOOD AND SINGLEBOROUGH WI

We have been travelling further afield on our weekly walks and now enjoy some fine coffee stops en route.

All of us thoroughly enjoyed a delicious afternoon tea at Horwood House to celebrate 70+1 years of our WI branch. It was a beautiful afternoon, and we all enjoyed a stroll around the grounds afterwards. It was lovely for us all to meet together again and celebrate the WI's centenary at the same time.

Our September meeting is going to be held in the Village Hall for the first time in a long while and the speaker is Milton Keynes Poet Laureate who should be very entertaining.

You are very welcome to join us so if you would like to come along please contact Angela Mayne. angela.mayne@googlemail.com or on 715400.

#### **GARDENING TIMES**

At this time of year there is an abundance of produce that we are dragging from the garden or allotment to the kitchen. It can feel as though you are getting mugged by the number of courgettes and climbing beans that keep on coming at a frenetic pace (and gardening, if done correctly, should rarely be described as frenetic). This time can be seen as both a blessing and a curse.

Some things can be counted on, whilst others require a little more effort but that means when they do come, they are really special. Figs fall into this category. In good years they give us an abundance but in years such as this we may just have to put up with looking at their gorgeousness and little else. Culturally, they are up there with the best of them. In the Bible figs are the very first tree that are named with a common name way back at the beginning in the Book of Genesis, beaten only by the Tree of Life and the Tree of the Knowledge of Good and Evil and medieval artists depict Ad-am and Eve as clothing themselves in the leaves to hide their modesty. It was the tree that Zac-chaeus climbed so that he could get a better view of Jesus as he travelled past, and scripture has references to this beautiful tree sprinkled generously around.

Here in Buckinghamshire, they want to be grown next to a sun- soaked wall that drinks up the rays and warms the fruit, you get more fruit that way, in both quantity and quality. They do seem to benefit from having their roots restricted whether this is on a pot or in a brick-lined trench, although if you are going to do this don't brick up the bottom, the soil needs to be free draining. Root restriction causes the tree to produce fruit early because of the stress. This has the benefit of limiting size, they can be a bit bolshy.

The village of North Marston, which in the past was a major pilgrimage destination equalling any other that Britain has to offer, used to call Palm Sunday "Fig Sunday" and the fruit would be eaten then because of a passage in the Gospel of Mark "Seeing in

the distance a fig tree in leaf he went to see whether perhaps he would find anything on it. When he came to it, he found nothing but leaves, for it was not the season for figs" (Mk 11: 13).

It looks as though North Marston would have the most regular church goers in the country at Easter!

#### Jobs to do in the garden in September

You can sow hardy annuals just now when the ground is still warm to give them a head start.

Things like Calendula, cornflower, larkspur and my personal favourite Scabious can be sown where you want them and then thinned out later.

Now is the time to be planting daffodil bulbs for that very same reason and you will be rewarded in the spring for your efforts, get them by your front door, you'll thank me for it

Divide any herbaceous perennials that are needing it, don't use a spade if possible, try and use 2 garden forks, it causes them much less stress.

If leaves start to fall on your lawn, chop them up with a lawn mower before composting, it keeps air in the heap and they will break down much faster. The addition of high nitrogen grass clippings will help to get your heap cooking.

#### **■ MEN IN SHEDS**

矴

A friendly workshop where men can gather, work together, share skills and knowledge or just have a chat over coffee.

August has provided a sense of normality returning and a welcome reminder that our Shed is primarily a social space. There's always plenty of making and mending to be done but popping in for tea and a chat is just as important. Also welcome is the return of 'customers' calling to ask about something bespoke for their garden, a bit of welding they need doing or some tools they need sharpening. As our freedoms start to return, making sustainable choices has never been more important – so how we can enjoy these renewed opportunities without further damage to our fragile planet?

A recent job here neatly illustrates some of the decisions and dilemmas we face.

An armful of garden tools in need of TLC were dropped-off recently and these included a hoe and various garden shears.

The hoe appeared to be a hefty item worthy of the blacksmith's forge but the look was purely cosmetic and achieved by a thick plastic coating that was now stopping the hoe from working or from being sharpened.

Similar dastardly (?) tricks had been used on the shears. What to do? Removing the plastic was tedious but it did allow repairs to go ahead but if time and effort were factored-in then replacement would be the sensible option - but is this sustainable?

It would be all too easy to grumble about 'shoddy goods' but I'm not sure things are that simple. The fact remains that both the hoe and the shears worked beautifully when new, were easily affordable and had already earned their keep for quite a while.

Luckily, we don't have to be quite so analytical at the Shed but it's always good to have a topic for discussion when supping tea and getting satisfaction from mending stuff that was designed not to be mended!

We look forward to seeing you at our AGM on Tuesday September 7th at 2:00 p.m.

The Shed is open every Tuesday and Thursday from 10:00 -4:00 at Unit 4, Station Road Ind. Estate.

#### GREAT HORWOOD VILLAGE HALL

We are pleased to see a few more enquiries for future bookings now that the re-strictions are easing.

Our 2 yoga and Pilates classes are proving popular, and we hope to welcome back the W I and silver Band in the near future.

The popular lending library at the back of the hall is now open again during the weekly Post Office session on Wednesdays.

It would be good to see the return of refreshments on Wednesdays and I am wondering if anyone in the village would be willing to restart this popular service?

Thanks to the Committee members for continuing to ensure that we operate in a safe and legal manner and for all their hard work.

#### **DOGS DAY OUT 2021** SET TO GET TAILS WAGGING

#### The popular Medical Detection Dogs fundraising event is back

We're not the only ones who need a good day out after the last few months - our dogs need some fun too so why not come along to the canine extravaganza that is *Dogs Day Out*?

Join staff and volunteers from the charity Medical Detection Dogs on Sunday 5th September in Swanbourne, Buckinghamshire, for a great day out with plenty for visitors with four and two

For the canine visitors, there are gun dog scurry events to compete in, a companion Dog Show with prizes and a variety of have-a-go events such as an agility course.

For us humans, as well as the competitions and activities, there will be some great shopping opportunities with stalls offering dog products, a tombola, a raffle and much more.

When you get peckish, there will be plenty of local fare including a BBQ, fish and chips, vegan delights and ice cream, as well as the allimportant tea tent and beer stall.

Gates open at 10.30am and the event concludes with prize giving at 3.30pm. Entry is just £2 per adult (Under 16s are free but must be accompanied by an adult). There is plenty of parking available.

Dogs Day Out is a fundraising event for Medical Detection Dogs with all proceeds going to the training of dogs to save lives using their amazing sense of smell.

The charity trains Bio Detection Dogs in its training room near Great Horwood to detect diseases such as cancers, Parkinson's and COVID-19 and Medical Alert Assistance Dogs to alert individuals with complex health conditions such as PoTS and Type 1 diabetes, when they are about to have a medical emergency.

#### **RESURFACING** VILLAGE ROADS

Great Horwood

We are all frustrated about the state of our village roads. As I am writing Parish Council this page, the side roads off Little

Horwood Road and the length of Spring Lane have received a treatment called micro surfacing, causing disruption to parking as the dates for works were moved and moved again. Cllr Gilbey made a complaint to Martin Tett, Leader of Buckinghamshire Council stating that the roads in need of attention were in fact Little Horwood Road and the High Street, not the village side roads.

The response stated that 'part of the roads' budget is allocated to local road repairs and part to repairs on our busier roads. The High Street is a busier road and needs to be assessed against other competing priorities on our strategic network. We have a large backlog of roads in need of repair across the county and it is not always possible to repair every road as soon as we would like'.

Although not mentioned in the response, we assume Little Horwood Road would be classified

as a 'busier road'. The Parish Council understands that the repair programme will reassessed in the Autumn and we will continue to press for these roads to be prioritized.

#### **CREATING A VISION FOR** THE OXFORD - CAMBRIDGE ARC

People across the Oxford - Cambridge Arc, and all with an interest in the area, will have the opportunity to contribute to the long-term development the area, as part а government consultation.

A new plan aims to enhance the infrastructure, environment and new developments in the counties of Oxfordshire, Buckinghamshire, Northamptonshire, Bedfordshire and Cambridgeshire.

The link to this consultation can be found at https://www.gov.uk/government/consultations/ creating-a-vision-for-the-oxford-cambridge-arc

#### **PARISH PUMP**

#### SPEED INDICATOR DEVICE

We are all aware of speeding traffic entering our village. The Parish Council do have a handheld device that will record speeding cars but it does need a team of volunteers to man it. Due to Government guidelines over the past year, we were not permitted to use it so now is the

perfect time to be trained up and be a visible presence. A short training session will be required, but nothing onerous. Please contact me if you would be interested in getting involved.

#### **FUNDS FOR LOCAL CAUSES**

As in previous years, Great Horwood Parish Council will once again be donating up to £3000 to local causes. If you would like your group to be considered, you need to start thinking about

vour bid. Forms can be obtained from the Parish Clerk, contact details below. Applicants must be from organisations associated with the village. Winning bids will be announced at the December Parish Council meeting. The closing date for applications is 31st October 2021.

#### WELCOME TO GREAT HORWOOD

A big welcome to our new residents! There have been many people moving in and out recently. We hope you are settling in and enjoying lovely our village community. Would

you like to receive a Welcome Pack? This has recently been updated and includes information on village organisations, the School, Pub, Church and the local area. Please contact John Gilbey by email on johnwgilbeypc@gmail.com

The date of the next meeting is Monday 6th September at 7.30pm in the Village Hall. Due to the easing of restrictions, Parish Council meetings are once again being held in the Village Hall. If you would like to attend meetings, please could you let me know in advance as space is limited. #### **Scheduled Service Update**

We are now running our Wednesday Winslow Market Service, and Friday & Saturday Aylesbury Market Service.

Despite the government lifting restrictions, we still have the following guidelines in place to help keep yourselves and our drivers safe:

- We have removed some seats to continue to maintain social distancing, so we are only able to transport 8 passengers at any one time. Due to the limited seats, it is essential that you pre-book your place with the WDCB Coordinator prior to travel.
- We ask that all passengers wear a face covering while travelling on the bus.
- We also ask that all passengers use the hand sanitiser provided on the bus.

Please contact the WDCB Coordinator for more details.

## Winslow & District Community Bus need Volunteer Drivers!

The Winslow & District Community Bus relies on volunteer drivers to run all our services, excursions and hires.

We are always in need of volunteer drivers, especially at the moment! So, if you are aged between 30 and 70 years of age, have a D1 on your licence, and have some spare time, please consider becoming a driver for your local Community Bus.

You can do as much or as little as you like, from our shorter local runs to some of our longer day trips. We visit all kinds of places, including garden centres, stately homes, shopping centres, countryside drives as well as our regular scheduled bus services, and the people who use the bus are a very friendly crowd!

We offer certificated training to MIDAS standard, and pay out-of-pocket expenses.

Please call or visit our website for more information.

#### **GREAT HORWOOD GIRLGUIDING**

Great Horwood Guides, Brownies and Rainbows were delighted to welcome some new members during the summer term as we restarted face-toface sessions

Meeting outdoors, we enjoyed a host of different activities from den-building in College Wood, to trails around the village, several new games and outdoor cooking – mostly in the pouring rain!

We're looking forward to plenty more fun as the new term starts, as well as the option to meet indoors as the nights draw in.

We still have spaces in all three sections so we really hope more girls will come and join us.

We meet on Monday evenings during term time in the Scout & Guide HQ in the grounds of Great Horwood School.

Our groups are:

Rainbows for girls aged 5-7 Brownies for girls aged 7-10 Guides for girls aged 10-14+

If you have a daughter who would like to join Girlguiding, please register her details at

https://www.girlguiding.org.uk/information-for-parents/register-your-daughter/

There are also leadership opportunities for girls and women aged 14+ and we welcome female & male adult volunteers. If you're interested in volunteering, please register yourself at

https://www.girlguiding.org.uk/get-involved/become-a-volunteer/

If you'd like to find out more about what we have to offer before registering your daughter or yourself, I'd love to hear from you. Please contact me on 01296 712034, 07501 636037 or at claremartin71@btinternet.com
