Hi Caroline,

Thank you for that information, we'll meet you on the village green at 2pm. I also have the requested information for you below.

There have been 77 housing completions in Great Horwood between 1st April 2014 and 31st March 2024, I have attached the full report for your information.

The indicative housing figure for Great Horwood is 9 dwellings per annum, which has been calculated using the standard method.

We will happily discuss this further with you and what this means for your neighbourhood plan when we meet on Wednesday.

Kind regards,

**Ella Wood**
