5.	<p><b>Public Participation Period</b></p> <p>One resident wanted to thank Cllr John Gilbey for his service to the Parish Council and to the village community. One resident raised the issue of traffic, and specifically large lorries driving up and down Nash Road into the village. Cllr Gilbey advised that there are now signs at the start of the hill in Nash Road into the village and also by the Green which state that the road is narrowing for motorists to adhere to. Discussion took place on what further options are available, including the petition that GHPC are putting together for a 20mph zone. Cllr Chilver advised that there may be more traffic lately due to roadworks and restrictions in Little Horwood Road and Adstock. Also mentioned were the large and small arrows on the road, similar to what has been done in Whaddon for traffic calming. Resident was also going to contact Buckinghamshire Council and MP Callum Anderson on this issue. Clerk to contact LAT to ask what traffic calming measures would be acceptable on the B4033 through the village (<b>Action: Clerk</b>).</p> <p>One resident advised the Parish Council that there are badgers in Willow Road allotments.</p>
6.	<p><b>Report from Buckinghamshire Councillors</b></p> <p>Sir Beville Stanier advised that this would be the last meeting he would attend as a District Councillor as he is not standing for re-election, having been in the role of District Councillor for 26 years. He then recounted the time of when he started as a Councillor and was unsure that he could attend all Parish Council meetings. Sir Beville also mentioned that there was a consortium of Parishes that are looking into traffic calming – Clerk to investigate this further and report back (<b>Action: Clerk</b>).</p>
7.	<p><b>Horwode Pece Management Committee Report</b></p> <p>Report received and noted.</p> <p>The work to the Teenage Area is due to start later this week – the grass has been cut for the first time this season.</p>
8.	<p><b>Footpaths Report</b></p> <p>The Footpath Monitor attended this meeting. He advised that he had reported 2 plank bridges as being unsafe to Buckinghamshire Council 18 months ago – he has had an email reply from BC with a copy being sent to the Clerk. In this email it states that “The two bridge structures you have referenced in your email of the 21<sup>st</sup> March are currently with the Council’s Highways Contractor, Balfour Beatty to carry out complete replacement of these two structures. This work will be completed just as soon as the ground conditions are sufficiently dry to be able to access the sites with vehicles and materials. The bridges were scheduled to be replaced last autumn but unfortunately the wet ground conditions prevented operations”.</p> <p>Further discussion on the two parts of the North Bucks Way that runs through the village. At present the footpath ends on the Winslow Road and there is no further path accessibility to get to the next gate further north on the other side of the road, without walking in the road itself. It was noted by Cllr Cousin that we are now entering into the nesting season and no hedge trimming should be considered until after the end of August.</p> <p>The recent community Quiz Nite in the Village Hall had again raised funds for various village causes and the group behind the Quiz Nite advised the Parish Council that some of the available funds from the evening they would like to be allocated to the Parish Council to use for footpath related issues. Clerk to ascertain exact nature of what they would like to purchase with these funds and report back to the PC. (<b>Action: Clerk</b>).</p>
9.	<p><b>Roads Report</b></p> <p>Nothing to report.</p>
10.	<p><b>Parish Maintenance</b></p> <p>Quotes have been received from GS Groundworks to fix the bench in Cherry Leas into position again – copy of quotation on Dropbox. It was discussed that rather than cement it back in place, perhaps a more permanent solution could be found, such as fixing onto slabs/concrete base – Clerk to contact GS Groundworks for their comment on this (<b>Action: Clerk</b>).</p>
11.	<p><b>Planning Report</b></p> <p>Report received.</p>

12.	<p><b>Issues arising from the Planning Report</b></p> <p>3 applications have been determined since the last meeting. Only 1 currently outstanding for comments requested before the deadline. Cllr Gilbey commented on the Heritage comments made on application 24/03817 (Croudace application) "That the application does not comply with the relevant heritage policy and therefore unless there are sufficient planning reasons, it should be refused for this reason".</p>
13.	<p><b>Other Planning Matters</b></p> <p>The Home Farm application – 21/00221</p> <p>It was agreed that the Parish Council write to Buckinghamshire Council on the possibility of S106 funds arising from this planning application to ascertain if it was possible to amend the requirements – originally this was to assist with the refurbishment of the Village Hall and a cycle route from Great Horwood to Winslow. Cllr Cousin will write to BC to see if this funding can be used for a different need within the village as the above original options are no longer viable/needed. It was noted that the restrictions are that the funds are used for Sports and Leisure (<b>Action: Cllr Cousin</b>).</p>
14.	<p><b>Neighbourhood Plan</b></p> <p>The first meeting of the Steering Group took place on the 25<sup>th</sup> March 2025 at the Village Hall. The roles of Chairman, Vice Chairman, Treasurer and Secretary were agreed at this meeting. It was agreed that a modification to the original plan would be the way forward rather than a new plan entirely.</p>
15.	<p><b>Devolution Agreement</b></p> <p>Still waiting for the new interactive map to include all the verges within Great Horwood and Singleborough - the Parish Council resolved to sign the Devolution Agreement once the map is correct. Clerk to continue to chase/monitor and bring to the next meeting (<b>Action: Clerk</b>).</p>
16.	<p><b>Annual Parish Meeting – 28<sup>th</sup> April 2025</b></p> <p>The APM is to take place in the Village Hall and any suggestions from Councillors are welcome. Update spreadsheet given to Cllr Gilbey to confirm the responses we have received. Cllr Gilbey reiterated to the members of public that this meeting is for all village residents and all would be welcome.</p>
17.	<p><b>Election – report on Nomination Forms</b></p> <p>It was noted that there was an uncontested Election and the Councillors for the next year term are Cllr Caroline Cousin, Cllr Jonathan Evans, Cllr Jackie Goss, Cllr Thomas Lee and Cllr Mary Saunders. Notification of this is on the PC website and Noticeboard. Their term starts 6<sup>th</sup> May 2025.</p>
18.	<p><b>Gov.uk website/email address</b></p> <p>Clerk has been looking into getting a gov.uk domain name for the Parish Council – it will become mandatory next year – Cllr Evans offered to assist the Clerk with this task (<b>Action: Cllr Evans, Clerk</b>).</p>
19.	<p><b>Report from the MVAS</b></p> <p>Prepared by Cllr Goss. The data shows a similar trend to last month. It was agreed to leave the MVAS in its current position the next month. The report was on Dropbox prior to the meeting (<b>Action: Clerk</b>).</p>
20.	<p><b>To receive a report from any meetings attended</b></p> <p><b>Cllr Gilbey</b> 25.3.2025 – Neighbourhood Plan Steering Group – Village Hall</p> <p><b>Cllr Cousin</b> 12.3.2025 – Online presentation – planning platform 25.3.2025 – Neighbourhood Plan Steering Group – Village Hall</p> <p><b>Cllr Goss</b> 25.3.2025 – Neighbourhood Plan Steering Group – Village Hall</p>
21.	<p><b>Nook Park – latest from Buckinghamshire Council</b></p> <p>Cllr Gilbey advised that it was noted on social media that a new delivery of another unit had taken place. This is smaller than before and it will be classed as 1 unit.</p>
22.	<p><b>Transfer of Liden Park to the PC – update</b></p> <p>Still chasing up the Transfer Title Deed (<b>Clerk: Action</b>).</p>
23.	<p><b>Transfer of Shorts Field to the PC – update</b></p>

Horwode Pece Management Committee - Report to Parish Council

April 2025

Last month, I reported that we had agreed a contractor to undertake the ground work and complete the replacement of the surround to the Teenage area. This month, I can report that this work should start this coming weekend, with the work to be completed either side of the Easter weekend. The work is to be undertaken by Tim Helsdon of Spring Lane, Great Horwood.

Children, under supervision, should still be able to use equipment down the Rec. The Toddler area will be completely clear of workmen. For the Teenage area, please watch out for the workman. Access will still be possible, but please keep clear of the work areas and ground work equipment on site.

As to on-going maintenance, the Rec. continues to be inspected weekly. Recently, the grass has been cut (I believe the first cut this year). Some areas requiring repair work have been reported, including repair to the wooden slats of the goals and re-bonding the underlay below the SuperNova. These items are already known to the Management Committee and are planned for repair later this spring, at the Spring Working Party (see work listed below). Some temporary repair to the underlay of the SuperNova has been undertaken, to avoid a trip hazard, this Easter. It will require more permanent bonding at the Spring Working Party.

#### Planned works for the Spring Working Party:

- Repairing the wooden slats to the goals.
- Re-lay and bond the underlay below the SuperNova; this has been kicked-up by children using it. It has been temporarily repaired, but will need more permanently bonding.
- Install paving slabs under the legs of the VW/Audi picnic table to improve its stability.
