Grant application. Mark Bloomfield said that grants of up to £10,000 were available for each financial year. A quote for £6985 had been received for assistance in writing the Plan. It was agreed that this could be used as a basis for a grant. Mark said we would also need to pay for web site costs and for a photographer to take photos for the final plan.

Mark said he would put an article in the forthcoming edition of the Grapevine to update the public on progress.

A discussion took place about the possibility of including a Rural Exemption Site in the plan. It was agreed to discuss this further at the next meeting. A possible site could be the site in Halstead Road which was suggested previously by a landowner as a site for development.

The meeting closed at 8pm.
