

Gosfield Neighbourhood Draft Plan

Regulation 14 Submission Residents Questionnaire

Over the last 18 months we have been busy putting together the first draft of the Gosfield Neighbourhood Plan. This is based on the views and opinions we have collected from you, the residents of Gosfield, over the last couple of years via our community survey and at consultation events. The Neighbourhood Plan is an essential document which will shape the future development here in our village.

We now need your feedback. We are required to consult with residents on the policies contained within it. We need you to complete this questionnaire with your response to the draft policies. The results of this consultation will be used to contribute towards the final Neighbourhood Plan, which is why it is important that as many residents as possible respond.

The Parish Council Privacy Notice can be viewed on their website <https://e-voice.org.uk/gosfield/assets/documents/privacy-statement-2>

Any resident of Gosfield can complete the questionnaire.

The consultation period will last six weeks, during that time the full draft Neighbourhood Plan will be available <https://e-voice.org.uk/gosfield/assets/documents/neighbourhood-plan> or as hard copies at the village shop. A member of the Neighbourhood Plan team will be available to talk at 'Plan' events (dates TBC suggest one daytime and one evening), or will attend scheduled club meetings.

Complete by hand:

You can return this paper questionnaire by hand to a special GNP post box at one of the following locations.
