

Minutes of Neighbourhood Plan Meeting held on Tuesday 3rd October at 7pm in The Pavilion

Present

John Willis
Mark Bloomfield
Tony Strudwick
Tricia Edwards
Richard Edwards
Bob Waters

Grant Application.

A discussion took place as to whether to include a possible Rural Exemption Site in the grant application. It was noted that there was an online course on Rural Exemption Sites on 19th October.

It was noted that the Village Survey at the beginning of the Neighbourhood Plan had recommended the allocation of a site but there were difficulties. The first was finding a landowner who was willing to participate in an RES. The second was that if a site was chosen, would the landowner then regard this as a village approval for development, and opt instead for 3 to 4 bedroom family homes?

It was decided therefore not to include a site in the grant application

A discussion took place about possible business sites.

Mark gave out copies of the responses from the public drop-in events and also a possible vision statement.

The meeting closed at 8pm

The next meeting is scheduled for the 7th November.
