

Census 2021 Essex virtual completion events

It's About Us

The Office for National Statistics will be hosting virtual census support events for the communities of Essex.

These virtual workshops will talk residents through both the online and paper versions of the census form, provide guidance on how to complete it, and answer any questions they may have. There will be the opportunity for participants to have one-to-one support, in a virtual space, or to ask any confidential questions.
