

Dear all,

We just wanted to let you know that in light of the latest Government advice we have taken the decision to close our face to face service with immediate effect. We will however still be operating an advice service via telephone, webchat and email. Clients can call us on [03444 111 444](tel:03444111444) or see advice options at <https://citizensadviceeastherts.org.uk/>

Best wishes
