DRAFT NOISE ACTION PLAN CONSULTATION 2023

We are consulting on our 5-year Noise Action Plan and we're looking for your views to help shape the plan. We are committed to minimising the impact of airport operations on neighbouring communities and we're considering a range of options to help reduce and minimise the impact of aircraft noise.

Our Draft Noise Action Plan will cover the years from 2024 to 2028 and build on our previous Noise Action Plans, which set out how we currently manage the effects and impact of aircraft noise.

Our Noise Action Plan consultation closes on Monday 28th August 2023, so please can you submit any feedback by then.

We encourage you to share this amongst your councillors and resident contacts.

You can find out more about our Noise Action Plan as well as an informational video on our website here:
