September heralds the culmination of harvest time; from the old English word *Hærfest* meaning 'autumn'. A vital time of the year for our farmers and we shall see what production is like after our extreme weather. At St Bartholomew's Harvest Festival will be celebrated on Sunday 2nd October with offerings for the Foodbank.

We are saddened to report the recent 'departing' of two of our regular members: Many will remember Win Lawrence (92) of Kelvedon Road as an avid volunteer worker over the years as a Brownie Leader, organiser of the over 60s club including coach trips and the Friday Lunch Club. She was also Receptionist at the Dr's surgery in Kelvedon Road where we were regaled with her anecdotes for many years.

Polly Wheaton (90) of Tiptree Road could often be seen until recently striding around the Parish. From a Witham farming family, Polly worked in seed production and had a strong connection with the land and a deep love of nature. She was fiercely independent and had a strong Christian Faith. For her wonderful bonhomie we shall miss her enormously at both St Bartholomew's and St Nicholas'.

St Nicholas' is normally open daily, if closed borrow the key from the Estate Office.

Maldon District Councillor News

September News

Residents and business owners have an opportunity to express your views on what you think are the top three funding priorities. The survey will also help us assess how the cost-of-living crisis is affecting you. Residents. You can find the survey at www.maldon.gov.uk/consultations until Sunday 11 September 2022.

Following the closure of the Barclays Maldon branch on Friday 5 August, the council has agreed a new arrangement with the bank. This has enabled the council to welcome Barclays as a new partner in the council offices. They will be operating from the office on a Wednesday and Thursday from 10am - 4.30pm. This is to help customers with anything from money management and financial health, to improving your home or supporting your business. However, they will not be handling cheques or cash facilities

After the latest accident at Appleford Bridge, which has caused extensive damage, I have raised the long-term problems at the crossing with all the representatives for the area and with our MP and the head of highways at Essex CC. We need a long-term solution for the bridge, that doesn't put drivers at risk. The bridge is no longer fit for purpose and we need to ensure that it can be crossed safely.

Best wishes

Richard Siddall

News from Beacon Hill Sports Association

In July BHSA were pleased to welcome the Essex Concert Band to Wickham Bishops Village Hall. Under the musical direction of Paul Dove, who has enjoyed a distinguished musical career with British army bands, the band entertained and delighted the audience with a mix of classic and popular pieces. We had a rousing 'Last Night of the Proms' section with much clapping and flag waving. The evening was well supported and enjoyed by all attendees. Furthermore the concert raised funds for the BHSA charity whose purpose is to provide and maintain recreation and sports facilities for residents of the local parishes.

Recycling at your local library

Here's a tip about disposing of your empty ink cartridges in an eco-friendly way. Take them to your local library.

Every library has a new Ink Bin recycling box to put your empty home-use ink cartridges in. Once they're collected, they'll be sorted, refilled and put back on the market as remanufactured ink cartridges. This will stop them ending up in landfill.

What else does your local library recycle? Most will take old batteries; some take small electrical items too. Save yourself a trip to the recycling centre!

If you're running short of recycling sacks or caddies for roadside collections, your local library may be the place to help. Food sacks, garden sacks and recycling boxes can all be found at some of our libraries.

Coverage does vary, so check out the recycling facilities available at your local library.
