GRANTS AND LOANS POLICY

- For Applications for less than £100 the full application can be by-passed, and such applications will be dealt with on an ad-hoc basis by the Full Council at a monthly meeting.
- In support of the Great Waltham Parish Council's Statement of Intent as to Community Engagement the Parish Council sets out its policy regarding the matter of making grants and loans to Parish organisations to benefit, foster, promote and stimulate community interaction.
- The Parish Council receives funding from the taxpayers of the Parish via the Parish Precept and wherever possible will budget part of this precept for the purpose of making grants and loans to local organisations.
- In addition the Parish Council will receive from time to time Planning Contributions/Community Infrastructure Levy funds from Chelmsford City Council and will use such funds for providing, enhancing and improving community life.
- The Parish Council is aware of many other fund raising sources and are prepared to advise and assist local organisations to raise funds for their projects from other sources.
- The Parish Council will not give grants or loans to political or organisations considered to be of a campaigning nature.
- In making any grant/loan the Parish Council would wish the grantor to acknowledge the Parish Council's involvement.
