Important notes

Not applicable to parts J, K and P

Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- check your personal data against counter fraud systems
- use your information to search against various publicly available and third party resources
- use industry fraud tools including undertaking credit searches and to review your claims history
- share information about you with other organisations including but not limited to the police, the Insurance Fraud Bureau (IFB), other insurers and other interested parties.

If you provide false or inaccurate information and fraud is identified, the matter will be investigated and appropriate action taken. This may result in your case being referred to the Insurance Fraud Enforcement Department (IFED) or other police forces and fraud prevention agencies. You may face fines or criminal prosecution. In addition, Zurich may register your name on the Insurance Fraud Register, an industry-wide fraud database.

Claims history

We may pass information relating to claims or potential claims to the Claims and Underwriting Exchange Register (CUE) and the Motor Insurance Anti-Fraud and Theft Register (MIAFTR), where the data is controlled by the Motor Insurers' Bureau, and other relevant databases.

We and other insurers may search these databases when you apply for insurance, when claims or potential claims are notified to us or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Employers' Liability Tracing Office (ELTO)

We are members of the Employers' Liability Tracing Office (ELTO), an independent industry body who maintains a centralised database that helps those who have suffered injury or disease in the workplace to identify the relevant Employers' Liability insurer quickly and efficiently.

It is important, for the services of ELTO to be fully effective, that you inform us of your ERN (Employer Reference Number also known as the Employer PAYE reference) and all subsidiary company names and their ERNs if applicable.

As members of ELTO we will forward details of your policy if it contains Employers' Liability cover to ELTO together with details of any ERNs you have supplied to us.

Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- a) electronic licensing;
- b) continuous insurance enforcement;
- c) law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
- d) the provision of government services or other services aimed at reducing the level and incidence of uninsured driving.

If a vehicle of yours is involved in a road traffic accident (either in the United Kingdom, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds correct registration numbers for your vehicles. If incorrect details for any of your vehicles are shown on the MID you are at risk of having the relevant vehicle seized by the police. You can check that correct registration number details for your vehicles are shown on the MID at www.askmid.com.

2. Compulsory Insurance

The **insured** must repay the **insurer** any amounts which the **insurer** is required by compulsory insurance legislation to pay out under this Policy to the extent that the **insurer** would not otherwise have been liable to make such payments on account of a breach of any of the terms or conditions of this Policy.

3. Reasonable Precautions

The **insured** will comply with all regulations imposed by any competent authority and take all reasonable precautions to prevent or minimise accident, injury, loss or damage. In addition, the **insured** will comply with makers recommendations made in respect of plant and machinery wherever reasonably practicable.

- a) At inception and renewal of this Policy and also whenever changes are made to it at the **insured's** request the **insured** must:
- i) disclose to the **insurer** all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.

 - iii) if the **insurer** would have charged the **insured** a higher premium for providing the cover the **insurer** will charge the **insured** the additional premium which the **insured** must pay in full.
- d) Clauses b) and c) apply with effect from inception, renewal or the date of the changes, depending on when the non-compliance occurred. Provided always that if the person concerned or the **insured** acting on their behalf makes a careless misrepresentation of fact the **insurer** may invoke the remedies available to the **insurer** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the Policy unaffected.

5. Change in Circumstances

The **insured** must notify the **insurer** as soon as possible during the Period of Insurance if there is any change in circumstances which materially increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change the **insurer** will be entitled to vary the premium and terms for the rest of the Period of Insurance. If the changes make the risk unacceptable to the **insurer** then the **insurer** may no longer be able to provide the **insured** with cover.

If the **insured** does not notify the **insurer** of any such change this Policy may be affected in one or more of the following ways depending on what the **insurer** would have done had the **insurer** known about the change in circumstances:

- a) if the **insurer** would not have continued to provide the **insured** with any cover the **insurer** may treat this Policy as if it did not exist from the date of the change in circumstances; or
- b) if the **insurer** would have applied different terms to the cover the **insurer** may treat this Policy as if those different terms applied from the date of the change in circumstances; and/or
- c) if the **insurer** would have charged the **insured** a higher premium for providing the cover the **insurer** will charge the **insured** the additional premium which the **insured** must pay in full.

This Policy will come to an end immediately if the **insured's** organisation ceases to exist or if the **insured** dies where the **insured** is an individual except that the **insured's** executors or personal administrators will be entitled to benefit from any cover until the **insured's** estate has been administered.

6. Claims Procedures

a) Action by the insured

On the happening of any event which could give rise to a claim or on receiving verbal or written notice of any claim the **insured** will:

- i) as soon as possible give notice to the **insurer**
- ii) as soon as possible notify the Police in respect of any loss or **damage** caused by theft or malicious persons
- iii) immediately forward to the **insurer** any writ or summons issued against the **insured**

supply full details of the claim in writing to the **insurer** together with any evidence and information that may be required by the **insurer** for the purpose of investigating or verifying the claim.

No settlement, admission or repudiation of liability, payment or promise of payment will be made without the written consent of the **insurer**.

b) Rights of the insurer

The **insurer** may take over in the name of and on behalf of the **insured** the absolute conduct and control of all negotiations and proceedings which may arise in respect of any claim for indemnity or damages and the **insured** will provide all information and assistance which the **insurer** may require. On the happening of **damage** to any **property** in respect of which a claim is made, the **insurer** and any person authorised by the **insurer** may, without incurring any liability or diminishing any of the **insurer's** rights under this Policy, enter, take or keep possession of the **premises** where such **damage** has occurred and take possession of or require to be delivered to the **insurer** any insured **property** and deal with such **property** in any reasonable manner. This Policy will be evidence of the **insurer's** licence so to act. No **property** may be abandoned to the **insurer** whether taken possession of by the **insurer** or not.

c) Subrogation

The **insurer** may take legal proceedings in the name of the **insured** (but at its own expense) for the purpose of exercising for its own benefit any right of recovery of the **insured** against any other party and this Condition will be evidence of the **insurer's** right so to do, whether before or after the **insured** has received an indemnity.

7. Other Insurances

Not applicable to parts J and P

If at the time of any occurrence giving rise to the claim there is any other insurance or risk transfer mechanism or other similar arrangements effected by or on behalf of the **insured** providing an indemnity the **insurer's** liability will be limited to its rateable proportion. If any other insurance is subject to any provision whereby it is excluded from ranking concurrently with this Policy in whole or in part or from contributing proportionately the liability of the **insurer** under this Policy will be limited to any excess beyond the amount which would be payable under such other insurance had this Policy not been effected.

8. Fraudulent Claims

If the **insured** or anyone acting on the **insured's** behalf:

- a) makes a fraudulent or exaggerated claim under this Policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this Policy for loss or damage which the **insured** or anyone acting on the **insured's** behalf or in connivance with the **insured** deliberately caused; or
- e) realises after submitting what the **insured** reasonably believed was a genuine claim under this Policy and then fails to tell the **insurer** that the **insured** has not suffered any loss or damage; or
- f) suppresses information which the **insured** knows would otherwise enable the **insurer** to refuse to pay a claim under this Policy

the **insurer** will be entitled to refuse to pay the whole of the claim and recover any sums that the **insurer** has already paid in respect of the claim.

The **insurer** may also notify the **insured** that the **insurer** will be treating this Policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If the **insurer** terminates this policy under this condition the **insured** will have no cover under this Policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of the **insured** this condition should be read as if it applies only to that insured person's claim and references to this Policy should be read as if they were references to the cover effected for that person alone and not to the Policy as a whole.

9. Reinstatement

The **insurer** at its option may indemnify the **insured** by payment, reinstatement, replacement or repair in respect of **damage** to any **property** or part thereof. If the **insurer** elects to reinstate or replace any **property** it will not be bound to reinstate or replace exactly or completely but only as circumstances permit and in reasonably sufficient manner and will not in any case be bound to expend in respect of any one of the items insured under any Part more than the sum insured specified in the Schedule.

10. Long Term Agreement

(Applicable separately to each Part of this Policy unless otherwise stated in the Schedule).

In consideration of a discount being incorporated in the premiums on Parts of this Policy the **insured** undertakes to offer annually the insurance under each such Part on the terms and conditions in force at the expiry of each Period of Insurance and to pay the premiums in advance, it being understood that:

- a) the **insurer** will be under no obligation to accept an offer made in accordance with the above mentioned undertaking
- b) the sum insured may be reduced at any time to correspond with any reduction in value or in the **business**
- c) Parts I, K and L only. Rates will be amended at each renewal date in line with the change in an index selected by the **insurer** during the period of 12 months which expires 3 months prior to the month of renewal.

The above mentioned undertaking applies to any policy (or Part) which may be issued by the **insurer** in substitution for this Policy (or Part) and the same discount will be incorporated in the premium on any substituted policy (or Part) issued by the **insurer**.

Payment of the first or renewal premium will be deemed acceptance by the **insured** of this Condition.

11. Premium Adjustment

If the premium for any Part of this Policy has been calculated on estimates furnished by the **insured**, the **insured** will within one month of the expiry of each Period of Insurance furnish to the **insurer** such particulars and information as the **insurer** may require. The premium for such period will then be adjusted and the difference paid by or allowed to the **insured** as the case may be, subject to the retention by the **insurer** of any amount described as a minimum premium.

12. Observance

The due observance and fulfilment of the terms and conditions of this Policy by the **insured** in so far as they relate to anything to be done or complied with by the **insured** will be a condition precedent to any liability of the **insurer** to make any payment under this Policy.

13. Arbitration

Not applicable to parts J and P

If the **insurer** admits liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by the **insured** and the **insurer** in accordance with the law at the time. The **insured** may not take any legal action against the **insurer** over the dispute before the arbitrator has reached a decision.

14. Cancellation

The **insurer** may cancel this Policy or any Part thereof by giving 30 days notice in writing by recorded delivery to the **insured** at the **insured's** last known address. The **insured** will be entitled to a pro rata return of premium calculated from the date of cancellation.

15. Sanctions

Notwithstanding any other terms of this Policy the **insurer** will be deemed not to provide cover nor will the **insurer** make any payment or provide any service or benefit to the **insured** or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of the **insured** would violate any applicable trade or economic sanctions law or regulation.

Section 2 – Cover

Insured Incidents

Costs and Expenses incurred to recover Uninsured Losses after an event which causes:

- (a) **damage** to the Insured Vehicle or to any property belonging to an Insured Person in or on the vehicle; and/or
- (b) death or bodily injury to an Insured Person whilst travelling in or on the Insured Vehicle.

The **insurer** agrees to provide the insurance described in this policy section, in return for payment of the premium and subject to the terms, conditions, exclusions and limitations set out in this policy section, provided that:

- 1 Reasonable Prospects exist for the duration of the claim
- 2 the Date of Occurrence of the insured incident is during the Period of Insurance
- 3 any legal proceedings will be dealt with by a court, or other body which the **insurer** agrees to, within the Territorial Limit
- 4 the insured incident happens within the Territorial Limit.

What the insurer will pay

The **insurer** will pay a Representative, on behalf of an Insured Person, Costs and Expenses incurred following an insured incident, provided that:

- (a) the most the **insurer** will pay for all claims resulting from one or more event arising at the same time or from the same originating cause is £100,000
- (b) the most the **insurer** will pay in Costs and Expenses is no more than the amount the **insurer** would have paid to a Preferred Law Firm. The amount the **insurer** will pay a law firm (where acting as a representative) is currently £100 per hour. The amount may vary from time to time
- (c) in respect of an appeal or the defence of an appeal, the Insured Person must tell the **insurer** within the time limits allowed that they want to appeal. Before the **insurer** will pay the Costs and Expenses for appeals, the **insurer** must agree that Reasonable Prospects exist
- (d) where an award of damages is the only legal remedy to a dispute and the cost of pursuing legal action is likely to be more than any award of damages, the most the **insurer** will pay in Costs and Expenses is the value of the likely award.

What the insurer will not pay

In the event of a claim, if an Insured Person decides not to use the services of a Preferred Law Firm, they will be responsible for any costs that fall outside the DAS Standard Terms of Appointment and these will not be paid by the **insurer**.

Section 3 – Special Exclusions

This section of the policy does not cover:

1. A claim where the Insured Person has failed to notify the **insurer** of the insured incident within a reasonable time of it happening and where this failure adversely affects the Reasonable Prospects of a claim or the **insurer** considers their position has been prejudiced.
2. Any Costs and Expenses incurred before the **insurer** accepts the claim.
3. Costs and Expenses arising from or relating to judicial review, coroner's inquest or fatal accident inquiry.
4. Fines, penalties, compensation or damages which the Insured Person is ordered to pay by a court or other authority.
5. Any legal action an Insured Person takes which the **insurer** or the Representative have not agreed to or where the Insured Person does anything that hinders the **insurer** or the Representative.

6. A dispute with the **insurer** not otherwise dealt with under special condition 7.
7. The Insured Vehicle being used by anyone, with the Insured Person's permission, who does not have valid motor insurance.
8. Any claim where an Insured Person is not represented by a law firm or barrister.

Section 4 – Special Conditions

1. An Insured Person must:
 - a) co-operate fully with the **insurer** and the Representative;
 - b) give the Representative any instructions that the **insurer** asks the **insured** to.
2.
 - a) On receiving a claim, if representation is necessary, the **insurer** will appoint a Preferred Law Firm as the **insured's** Representative to deal with the **insured's** claim. They will try to settle the **insured's** claim by negotiation without having to go to court.
 - b) If the Representative cannot negotiate settlement of the **insured's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured** may choose a law firm to act as the Representative.
 - c) If the **insured** chooses a law firm as the **insured's** Representative who is not a Preferred Law Firm, the **insurer** will give the **insured's** choice of law firm the opportunity to act on the same terms as a Preferred Law Firm. However if they refuse to act on this basis, the most the **insurer** will pay is the amount the **insurer** would have paid if they had agreed to the DAS Standard Terms of Appointment. The amount the **insurer** will pay a law firm (where acting as the Representative) is currently £100 per hour. This amount may vary from time to time.
 - d) The Representative must co-operate with the **insurer** at all times and must keep the **insurer** up to date with the progress of the claim.
3.
 - a) An Insured Person must tell the **insurer** if anyone offers to settle a claim and must not agree to any settlement without the **insurer's** expressed consent.
 - b) If an Insured Person does not accept a reasonable offer to settle a claim the **insurer** may refuse to pay further Costs and Expenses.
 - c) The **insurer** may decide to pay an Insured Person the reasonable value of the claim that the Insured Person is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an Insured Person must allow the **insurer** to take over and pursue or settle a claim in their name. An Insured Person must allow the **insurer** to pursue at the **insurer's** own expense and for their benefit, any claim for compensation against any other person and an Insured Person must give the **insurer** all the information and help the **insurer** needs to do so.
4.
 - a) An Insured Person must tell the Representative to have Costs and Expenses taxed, assessed or audited if the **insurer** asks for this.
 - b) An Insured Person must take every step to recover Costs and Expenses that the **insurer** has to pay and must pay the **insurer** any Costs and Expenses that are recovered.
5. If a Representative refuses to continue acting for the Insured Person with good reason or if the Insured Person dismisses a Representative without good reason the cover the **insurer** provides will end at once unless the **insurer** agrees to appoint another Representative.
6.
 - a) If an Insured Person settles a claim or withdraws their claim without the **insurer's** agreement or does not give suitable instructions to a Representative, the **insurer** can withdraw cover and will be entitled to re-claim any Costs and Expenses they have paid.
 - b) If during the course of a claim Reasonable Prospects no longer exist the cover the **insurer** provides will end at once. The **insurer** will pay any Costs and Expenses they have agreed to, up to the date cover was withdrawn.
7. If there is a disagreement about the handling of a claim and it is not resolved through the **insurer's** internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from www.financial-ombudsman.org.uk)

If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, the **insurer** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.

8. If there is a disagreement between an Insured Person and the **insurer** on the merits of the claim or proceedings, or on a legal principle, the **insurer** may suggest the Insured Person obtains at their own expense an opinion on the matter from an independent and appropriate expert. The expert must be approved in advance by the **insurer** and the cost expressly agreed in writing between the Insured Person and the **insurer**. Subject to this the **insurer** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the Insured Person will recover damages (or obtain any other legal remedy that the **insurer** has agreed to) or make a successful defence. This does not affect the Insured Person's rights under Special Condition 7.
9. An Insured Person must:
 - a) keep to the terms and conditions of this section of the policy
 - b) take reasonable steps to avoid and prevent claims
 - c) take reasonable steps to avoid incurring unnecessary costs
 - d) send everything the **insurer** asks for in writing; and
 - e) report to the **insurer** full and factual details of any claim as soon as possible and give the **insurer** any information they need.
10. If any claim covered under this section of the policy is also covered by another policy, or would have been covered if this policy did not exist, the **insurer** will only pay the **insurer's** share of the claim even if the other insurer refuses the claim.
11. This policy is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where the **insured's** business is registered. Otherwise the law of England and Wales applies. All Acts of Parliament mentioned in this policy include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.

- g) The **contract holder** will provide the **contractor** with safe access to the **site** and a safe working environment on the **site**. The **contract holder** will make available any of their staff, premises, facilities, ancillary testing equipment and access equipment as the **contractor** may reasonably request to enable the **contractor** to perform the **inspection**.
- h) The **contract holder** retains sole responsibility for the operation of **plant**. Where the operation of **plant** or any ancillary equipment is required for an **inspection** the **contract holder** will make available a skilled and qualified operator of the relevant **plant** and any ancillary equipment.
- i) After the **contractor** has completed the **inspection** the **contract holder** is responsible for the reassembly of **plant** except that if the **contractor** removes an inspection cover to perform the **inspection** the **contractor** will put it back in place.
- j) Should an **incident** occur the **contract holder** will notify the **contractor** immediately of such **incident** and the involvement of any **regulatory body**. The **contract holder** will provide the **contractor** with all information, documents and assistance as the **contractor** may reasonably request to enable the **contractor** to investigate and understand the **incident**, its causes and effects including access to the **site**, **plant**, the **contract holder's** staff and facilities with reasonable notice.

2.5 Contractor's Responsibilities

- a) The **contractor** will **inspect plant** at the **site** in line with the **scope** and within **normal working hours**. The **contractor** will use reasonable endeavours to carry out **inspections** at intervals no longer than the **inspection frequency** or more frequently if set out in the **scope**. The **contractor** will only carry out **inspections** less frequently than the **inspection frequency** where it is in accordance with a **risk assessment**.
- b) The **contractor** will act as a **competent person** for the **inspection** and will use reasonable endeavours to ensure that the person performing the **inspection** possesses all necessary skills, experience and qualifications to the extent required by the **regulations** for the **inspection** of the relevant **plant**.

- c) The **contractor** will only **inspect plant** that the **contract holder** makes available to the **contractor** and which is in a suitable condition for the **inspection** to take place. If **plant** or any part of **plant** cannot be located or is not made available by the **contract holder** for **inspection** the **report** will state which **plant** or which part of **plant** the **contractor** did not **inspect** and give the reason for this and the **contractor** will not be liable for any failure to **inspect** that **plant**. The **contractor** will notify the **contract holder** in writing within 14 days of any abortive attempts to arrange or attend an **inspection**.
- d) The **inspection service** does not cover the preparation, operation, repair or maintenance of **plant**. If the **contractor** removes an inspection cover to perform the **inspection** the **contractor** will put it back in place.
- e) While the **contractor** is on site the **contractor** will comply with the **contract holder's** safe systems of work as notified by the **contract holder** provided they do not conflict with **annex 4**. The **contractor** reserves the right not to carry out an **inspection** if in the **contractor's** reasonable opinion to do so would pose an unacceptable risk to the health, safety or welfare of the **contractor**, the **contract holder** or any other person and the **contractor** will notify the **contract holder** of this.
- f) The **contractor** will provide the **contract holder** with a **report** setting out:

 - iii) A-timed **defects** are where the risk of injury is posed in the future and should be addressed by the **contract holder** before the date specified in the **contractor's report**.
 - iv) B-**defects** may pose a risk of injury but a risk other than as specified in or intended to be addressed by the **regulations**.
- h) The **report** may bring to the **contract holder's** attention other noticeable and obvious **defects** that fall outside the **scope** although the **contractor** is not obliged to do so. The **contractor** will not assess the impact of such other **defects** and it will remain the **contract holder's** sole responsibility to assess them and decide what action to take.
- i) Where the **contractor** has been unable to start or to complete an **inspection** that was due for whatever reason the **contractor** will issue a Report of Visit or Customer Advice notification explaining why the **inspection** could not be completed. The Report of Visit or Customer Advice will be given a reporting status as per **annex 3**.
- j) The **contractor** will issue the **report** to the **contract holder** within 14 days following completion of the **inspection**. Where any **plant** is judged to give rise to 'A' **defects** the **contractor** will also issue a handwritten report prior to leaving the **site** identifying the relevant **plant** and the danger.
The **report** is issued electronically by default as well as in paper hard copy format where preferred or necessary.
The **contract holder** agrees that the **report**:
 - i) confirms the condition and operability of **plant** at the date of **inspection** only; and
 - ii) is not a health and safety certificate nor evidence of full legal compliance of **plant**.

- e) Where the **contractor** notifies the **contract holder** of an increase to the **inspection fee** during the period of **contract** the **contractor** is entitled to invoice the **contract holder** for the additional amount. Otherwise any change to the **inspection fee** will be set off against the **inspection fee** for the following period of **contract**.
- f) Unless the **contractor** agrees otherwise in writing the **contract holder** must pay all the **contractor's** invoices within 30 days of the date of invoice.

In these circumstances a Person Insured must allow the **insurer** to take over and pursue or settle a claim in their name. A Person Insured must allow the **insurer** to pursue at the **insurer's** own expense and for their benefit, any claim for compensation against any other person and a Person Insured must give the **insurer** all the information and help the **insurer** needs to do so.

If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, the **insurer** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.
8. If there is a disagreement between a Person Insured and the **insurer** on the merits of the claim or proceedings, or on a legal principle, the **insurer** may suggest the Person Insured obtains at their own expense an opinion on the matter from an independent and appropriate expert. The expert must be approved in advance by the **insurer** and the cost expressly agreed in writing between the Person Insured and the **insurer**. Subject to this the **insurer** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the Person Insured will recover damages (or obtain any other legal remedy that the **insurer** has agreed to) or make a successful defence. This does not affect the Person Insured's rights under Special Condition 7.
9. A Person Insured must:

This means that the Contracts (Rights of Third Parties) Act 1999 does not apply to this section of the policy in relation to any third-party rights or interest.
11. If any claim covered under this section of the policy is also covered by another policy, or would have been covered if this section of the policy did not exist, the **insurer** will only pay the **insurer's** share of the claim even if the other insurer refuses the claim.
12. This policy is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where the **insured's** business is registered. Otherwise the law of England and Wales applies. All Acts of Parliament mentioned in this policy include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.
