

Agenda Item 21/031 – Ford End Recreation Ground Maintenance and Wildflower Planting

I have been contacted by CCC to discuss the next date for scheduled tree maintenance, which is now set for Friday 18th March from 10am to 12.30pm. As well as the tree maintenance they are proposing to plant the wildflower which we discussed before Christmas.

As requested by CCC I have also contacted Ford End School to see if they would like a few of the children to be involved on the day. I have been passed a consent form as CCC would like to take some photo's to use in their advertising.

CCC will obviously provide all of the equipment needed and the wildflowers.

I wanted to :

1. re-validate the decision to go ahead with the planting of the wildflowers
2. Also, can we please ask the handyman to mark an area around the tree fencing of 2m prior to planting?

2 metres from the fence edge
