

Review of the Chelmsford Local Plan - Get involved now!

The Council's Local Plan was adopted in 2020 and guides growth and development across Chelmsford City Council's area to 2036. It sets out how much new development is needed and identifies land for housing, schools, shops and jobs as well as areas for protection, such as open space and sites important for wildlife.

The Council is commencing a review of its adopted Local Plan with the first Issues and Options consultation running from 11 August to 6 October 2022.

The review process is expected to result in changes to the adopted Local Plan – but we are not working on a completely new plan from scratch. It is also not a reopening of any debates about already allocated sites.

The purpose of the consultation is to ensure that the review covers the right issues and that all suitable options for accommodating change are considered. The main areas we are consulting on include:

- Updated challenges and opportunities to address over the reviewed Local Plan period to 2041
- Updated draft Strategic Priorities
- New draft Vision
- The approach to calculating future development requirements, including homes and jobs
- Spatial Approaches for accommodating additional future development growth, and
- The approach to reviewing planning policies.
