

Howe Street Recreation Ground Multi Play Replacement

A – 6.8 meters

B - 5.9 meters

C – 7.0 meters

The following information provides three suppliers quotes for similar items of equipment that meet the requirements for a Multi Play replacement:

Criteria proposed by Cllr Jackson and subsequently agreed by the Recreation Committee *'the new equipment should contain slide and a mixture of challenging parts ... eg steps, poles, climbing wall, monkey bars..... and parts appropriate to younger children. Thus the whole could be suitable for children from 3 -12 years.'*

Proludic

<https://www.proludic.co.uk/product/j38103/?gid=48>

We have created the reference J38103 in our "Diabolo" range. This module is accessible from 3 years. It can accommodate up to 23 users.

The size of the module is: 5.57 m wide, 4.35 m. deep, 3.10 m. high.
The free fall height (FFH) is 2.60 m.

The **Taka Multiplay Unit** boasts **14 unique play features** across six differing deck heights, offering a great opportunity for children with a wide range of abilities to play together.

Featuring a 'High Slide', 'Firefighter Pole' and 'Valley Crossing', this unit is progressively challenging while incorporating inclusive play with the low-level accessible steps, the 'Caldera Crawler' and the 'Midi Inclusive Slide'. The outward facing interactive educational play panels, such as the 'Bee', the 'Weather Spinner' and the double height 'Plant Your Tree', will encourage interactive, cooperative and inclusive play alongside wheelchair users as these panels can be accessed from both seated and standing positions.

Additionally, the towering **cloud shaped roof panels** offer sensory experience for all with their interestingly engraved underside and even more fun reflective mirrors.

PRODUCT FEATURES

The Pandora is a stand out system which promotes activity and movement for juniors.

Featuring seven individual play components, a slide, fireman's pole, two ladder rungs, 'V' bridge crossing, wave traversing net, and vertical climbing wall, the Pandora offers fundamental physical development and allows children to enhance their fine and gross motor skills through graduated challenge.

Utilising a colourful complimentary palette, the Pandora has been designed to catch the eye and provide visual stimulation for this age group.
