## October 2025

### Andy Tinsley Memorial Cricket Match 7th September

Congratulations to the Young Pretenders, who beat the Old Codgers 113 runs to 90. Well done to highest scorers Jake

De'Ath (27 for the Young Pretenders) and Dave Carroll (18 for the Old Codgers). Also, thanks to Umpires James Taylor and Kevin Ling, and Scorers James Tinsley and Ran Fitzwater. The last game drew stumps in 2019 and we have brought it back in memory of Andy Tinsley, who made the game a village tradition. Andy's widow, Gill, presented the cup to the winning team. This is very much a fun event with the cricket club also running a bar on the day, so plenty of full pints, unorthodox bowling, byes, yorkers, dibbly dobbles, shelled dollie and silly points!

The event raised £115 of which £60 goes to Farleigh Hospice, £30 Cricket Club, and £25 to the Community Network. Leah Hartford and Ferne Lacey ran a BBQ to support their World Challenge trip to Eswatini (in Africa) and raised £142.

**Next innings will be Sunday 13th September 2026 (two more pictures on page 7)**

### New classroom for Great Waltham CofE Primary School

On the 5th September, our MP, Kemi Badenoch, opened the newly built classroom. She was joined by County Cllr Mike Steel and Education Cabinet Member Tony Ball. Essex County Council funded the building of the new classroom, along with modifications to an existing classroom that had a limit of 23 pupils. This enables the school to move from 6 year classes to 7 classes of 30 pupils each, increasing the capacity of the school to 210. There is now a class for each of the 7 years a child spends at the school and removes the need for mixed age classes.

Before the arrival of Kemi, the children learnt about the role of an MP, so they were able to quiz Kemi on her experience as an MP and leader of the opposition. Justine Brooks, headteacher, welcomed Kemi, introduced her to pupils, teachers and governors, and then gave Kemi a pair of scissors to cut the ribbon. This was followed by a tour of the new classroom and a chat with children.

Great Waltham School is a voluntary controlled school for children aged 4 to 11 and is maintained by Essex County Council. More information on the school can be found here [www.greatwaltham.school](http://www.greatwaltham.school)

## From the Vicarage

At the end of August my family and I at last moved into Great Waltham vicarage. We had such a lovely intro to village life including a fox at the front door among those to welcome us!

Moving house is always stressful but kind of helpful as a tool for taking stock. In packing and unpacking we realise what we need and what we don't need to take with us. A physical exercise but a spiritual and emotional one too. What to keep from the past and what to let go is not an easy decision. We don't want to move again anytime soon but it caused us to reflect on what is most important. A worthwhile exercise even if we are still surrounded by cardboard! If you need any boxes just give me a shout!

Every blessing. Dan

## LITTLE WALTHAM GARDENING CLUB.

Clive de Bruyn, a well respected and experienced bee keeper, came to give us a talk on 'How to Encourage Pollinators to Your Garden'. His enthusiasm for the insect world was demonstrated by his wide knowledge of the subject. Unbelievably the total weight of insects in the world exceeds the weight of all us human beings.

Clive did not restrict his talk to honey bees. There are a great number pollinators in this country including bumble bees, solitary bees and wasps, butterflies and moths. Different pollination methods devised by plants were discussed. Of course, wide flat flower heads of Sedum and Achillea provide an easily accessible store of nectar and pollen to visiting insects, as do single flowers of Dahlia and Cosmos. More complicated mechanisms of Honeysuckle and Sweet Peas are successfully visited by moths and heavier bees. We learned too, that many flowers, such as blue Forget me nots change colour after they have been pollinated from blue to pink.

We were encouraged to be a bit more untidy in our gardens by allowing (some) weeds to flower. The humble dandelion provides a great larder and Clive brought along some seed of Phacelia for all to take away. This plant is an annual, often used as a green manure, sown in the autumn to germinate and grow, preventing the leaching of nutrients from the soil during the winter rains. Insects enjoy the pollen and nectar that the pretty blue flowers of the plant provides. An excellent evening enjoyed by all.

On 1st October, Tony Dunn of Braintree Organic Gardening Club will be giving a talk on 'Sustainable Living' in Little Waltham Memorial Hall, 7.30pm. Visitors very welcome. For more information, please phone M Williams 01245 360042 or see website

## FORD END GARDENING CLUB

At our September meeting, Mary Williams gave us a very information and interesting presentation on 'Taking Hardwood Cuttings'. Her enthusiasm for matters horticultural was clear to see as she spoke and demonstrated how and when to take cuttings. She then invited the people present to have a go, from the variety of shrubs she had brought, guided by her expertise. We will see how successful we have been in the Spring! There was a lovely buzz of conversation over coffee, after which Mary answered numerous questions

Our next meeting will be on 15<sup>th</sup> October, when Sam Baines will be showing us how to create a hanging Basket for Autumn. The meeting will start at 7.30p.m., in Ford End Village Hall, and all are very welcome

## Great Waltham Remembrance Sunday Parade – 9<sup>th</sup> November 2025

Great Waltham Parish Council can confirm that this year's Remembrance Parade and Service will take place on Sunday 9<sup>th</sup> November. The parade will follow its usual route, starting from Duffries Close at 10.30am, led by the parade marshal, piper, and standards, with representatives of the armed forces, emergency services, and community organisations. It will march along Hatchfields, into Chelmsford Road to the war memorial, arriving there at approximately 10.45am.

The necessary road closures orders have been secured and traffic will be halted to get the parade safely to the war memorial for a short service. Chelmsford Road will be closed between the South Street and Hatchfields junctions for the duration of the service, with traffic diverted via Hatchfields and South Street.

Members of the public may join the parade, but must do so at their own risk. We also welcome members of the public and the parish community to join the service. Wreaths will be laid and the last post will be sounded at 11.00am, followed by two minutes silence.

The parade will then move to the church for a service there and afterwards it will reassemble in the church grounds and march back past the war memorial for the salute when Chelmsford Road will be briefly re-closed. The Royal British Legion once again invites the church congregation to the RBL hall for refreshments after the event.

### GREAT WALTHAM FRIENDSHIP CLUB

## Great Waltham Horticultural Society (Hort Soc) Annual Flower and Produce Show Finale

Over 140 people attended, what could be the last Great Waltham Flower and Produce show, on Saturday 20th September. The Hort Soc dates back to 1873 and the highlight of the calendar is the Annual Show which includes flowers, vegetables, fruit, crafts, baking delights, children's classes and many more fabulous classes. The event this year, filled 3 classrooms and the main hall of the school. As well as the usual adult entries, the local scout group and the pre-school entered a whole host of classes - junk models, choc chip cookies, Lego House, Pasta Necklace, Decorated Egg and lots more. Excellent refreshments were provided by Great Waltham Twinning Association. But declining membership and inability to recruit new committee members has put the whole society at risk. If you can help by becoming a committee member, please contact the Chair [hnwillis@hotmail.co.uk](mailto:hnwillis@hotmail.co.uk) Throughout the year, the Hort Soc also run various other events such as the children's Pumpkin Carving workshop and a Plant Sale in May. More info and a full list of winners on our website which can be found at <https://e-voice.org.uk/greatwalthamparish/> A big thank you to everyone who helped, entered and came to the show.

### Great Waltham Parish Council

The Pavilion, Great Waltham Recreation Ground, South Street,  
Great Waltham, CM3 1DF.

Clerk, W J Adshead-Grant. Tel: 07880 717329.

E Mail: [clerk@greatwalthamparishcouncil.co.uk](mailto:clerk@greatwalthamparishcouncil.co.uk)

This is a summary of some of the items discussed at the August meeting of the Parish Council. For more details, see the full and approved minutes of all Council meetings on the parish website ([e-voice.org.uk/greatwalthamparish](http://e-voice.org.uk/greatwalthamparish)).

We welcomed Mark Nicholls as a new member of the Council. This means that, at the time of writing, we have one further vacancy.

Mike Steel, our city and county councillor, updated us with details of: recent highway repair works in the parish; his meetings with various pressure groups in relation to the N2T pylons proposals; the recent opening of the incinerator at Rivenhall (despite some elements of the approved application having not yet to be completed); an intended review of the entertainment licence at Chelmsford racecourse following issues during the last music events held there; and the impending vote at Essex County Council in relation to the submission to central government of its preferred new local government model for Essex.

We conducted a review of our agreed annual action plan. For the last quarter we noted progress in relation to: the work of the play area refurbishment working group; the painting of the external walls of the Pavilion; the introduction of the partnership with TruCam to monitor and enforce speed limits in the parish; the completion of annual inspection reports at the recreation grounds; work to tidy the allotment sites; taking an active role in the formation of the new Chelmsford Association of Local Councils; responding to consultations; and hosting the annual Play in the Park event at Great Waltham Recreation Ground.

We also agreed to escalate to Aldi UK's senior management a request for answers to our questions regarding the level of use of their lorries on the B1008, given the continued absence of a response from their local representative.

The next monthly meeting will be on Monday 20<sup>th</sup> October at The Pavilion, Great Waltham Recreation Ground, starting at 7.30pm. All are welcome to attend our public meetings.
