Great Waltham Playground News!

We are delighted to share that Phase 1 of the playground revamp has been completed and the space is now open. By now, you have hopefully had the chance to visit and enjoy the new equipment. It has been wonderful to see the playground already being used by our community. Thank you for being a part of the journey so far.

We are now looking ahead to Phase 2 the "Junior Area", where we want to add more fun upgrades for the older kids. To achieve this, we really need to expand our fundraising efforts, and we are especially keen to hear from volunteers who can help make this happen!

Whether you can support fundraising events, share ideas, or lend a hand behind the scenes, your involvement will make a real difference. The more people who get involved, the sooner we can bring Phase 2 to life.

If you would like to get involved, please contact us at: gtwalthamplayground@gmail.com

You can also support us by donating and / or sharing our campaign: gofundme.com/f/great-waltham-playground-refresh-2025. Thank you for your continued support.

Tim and Sheila Gillies have lived in Great Waltham for nearly 60 years. Tim began collecting old postcards and photos from villagers who'd lived here for many years. These photos will be on display in the church on Sat 23rd and Sun 24th May.

Tim intends to deposit the photos with the Essex Records Office for safe keeping, later this year. So, this is a valuable opportunity for you to view them.

You will recognise many of the old buildings, pubs and shops. In some cases, the names of the people are known, but if you can recognise any of your ancestors, we'd be very happy to speak to you at the exhibition.

Alongside the village photos is an exhibition of photos and the life stories of the men from Great Waltham Parish, who lost their lives in World War 1 and World War 2. Their names will be familiar to you because they are engraved on the War Memorial at Banbury Square. The photos will put faces to those names – the faces of young men, sons, husbands and fathers, who were born and brought up here, who maybe lived down your road, maybe even one of your

ancestors. Please come along. Enquiries- joanna.2.steel@btinternet.com

From The Vicarage

As the football season soon draws to a close, there's a familiar mix of relief, frustration, and quiet pride - whatever colours we wear. The final whistle reminds us that every season has its highs and lows, and that progress is rarely a straight line. Our village hedgerows are greening again, and it's striking how nature and sport share a rhythm: effort, rest, renewal. Whether your team is celebrating or regrouping, this is a good moment to pause, take stock, and look ahead with a bit of hope. There's always another season, another chance, another fresh start waiting. We go again. And even if football has let you down once too many, there's always cricket!

A group of our members enjoyed an entertaining talk at the Chelmsford Theatre with Adam Frost of Gardener's World fame – he was an excellent speaker. We have a full programme of events for the Spring/Summer with garden visits, lunches, theatre trips and walks planned. At our April meeting we welcomed Yvonne Lawrence, who talked about a well-researched history of Chelmsford cinemas and theatres. Many of us had nostalgia trips, bringing back memories of our youth! Our next meeting is on **Tuesday 12th May, 7:00 for 7:30pm start** at the Legion Hall when we will hear from Fiona Rose on the Life & Work of William Morris. This will be followed by our Annual meeting.

Little Waltham Gardening Club

Little Waltham Gardening Club celebrated Spring at our recent Spring Flower Show. Despite the very changeable and damaging weather prior to the Show, there were a good number of entries in the spring flower and vegetable classes. There was excellent support for the craft, cookery and photography classes. Members and an encouraging number of visitors enjoyed homemade refreshments and bought plants from the larger than usual plant stall.

Our next Club meeting will be on Wednesday 6th May, 7.30pm at Little Waltham Memorial Hall when Nick Dobson will be giving two presentations- one on his 'Passion for Pelargoniums', and the other 'Fuchsias, the Three Virtues'. Please come along and join us for the evening, we'd be pleased to welcome you.

In May, June, July and August members are looking forward to afternoon visits to local gardens.

Our evening meetings recommence on Wednesday 2nd September when Brian Carline will giving a presentation on 'The Science of Plants'.

For more information, please phone Maggie Williams 01245 360042 or see website www.littlewalthamgardeningclub.co.uk

THE HUNDRED PARISHES SOCIETY

www.hundredparishes.org.uk

The Romans introduced wine making to the UK and vines were cultivated to some extent until World War I when land was needed for growing food. Viticulture (the process of growing grapes) began to revive in the 1970s with warmer summers and the development of grape varieties suited to English conditions. Today, we have several successful vineyards in The Hundred Parishes.

One of the first was Chilford Hall in Linton parish. It was run by the Alper family for 50 years before changing hands in 2024. The new owners continue to manage the 20-acre vineyard alongside their Grillo Outdoor Kitchen business. In Great Bardfield, Great Lodge produces its own wines from six different grape varieties. The vineyard is open to visitors midweek from May to September and there is also a wedding venue on site. Website: <https://www.greatlodge.co.uk/vineyard/>

In Saffron Walden, the first vines were planted at Saffron Grange in 2008. The family business is now well established, producing white sparkling wines and offering vineyard tours for small groups from mid-April. Website: <https://www.saffrongrange.com/> In Stansted Mountfitchet, a new vineyard was planted in 2021 on a south-facing slope. The first grapes were harvested in 2023 and wine from the Gunyah Vineyard (pictured left) is now on sale. Website: <https://www.thegunyahvineyard.com/>. This vineyard can be seen across the valley from Hundred Parishes walk number 137. Ken McDonald, Secretary

Great Waltham C of E Primary School

It has been a busy and exciting time at school, with many opportunities for our children to shine.

On Monday 16th March, Class Africa attended the Infant Music Festival at Christ Church in Chelmsford. The children performed There's a Sunflower in My Pocket, delighting the audience as they sang, danced and played instruments. They were wonderful ambassadors for the school and made us extremely proud.

We would also like to say a big well done and thank you to everyone who took part in our Science Fair. The standard of work was fantastic and it was lovely to see so much curiosity, creativity and enthusiasm for learning.

More recently, two of our pupils, Zara and Feyi, attended the Diocesan Growing Future Leaders Summit. They learned about leadership, upstanders and bystanders, and even created music together in the cathedral. They are now looking forward to working with Mrs Brooks to plan a collective worship to share their learning with the whole school.

It's May – Still A Great Time To Hire An Allotment!

We have vacancies at both sites situated in Great Waltham, varying from small starter plots to large plots. Prices vary depending on the size of the plot, please contact clerk@greatwalthamparishcouncil.co.uk for further information. Hirers are welcome from within the Parish and surrounding Parishes.

Essex Voices present *Song of Songs*

A programme of music setting words from The Song of Solomon, also known as the Song of Songs. We shall perform settings by Palestrina, the master of sixteenth-century counterpoint, alongside settings of the same or similar words by his contemporaries and more recent composers. Come with us as we evoke the spices and scents wafting in the air, the endearments of the lovers as they meet, and the beauties of nature as spring unfurls. You can book tickets on the events page at www.essexvoices.org and we hope to see you there.

FORD END GARDEN CLUB

On the 10th April a group of us visited Feeringbury Manor gardens in Feering which is open under the National Garden Scheme. It was a bright but chilly day and we enjoyed exploring this 10 acre garden which has the River Blackwater flowing through it. There is an arboretum with many unusual trees and there was a beautiful circular lawn planted with many types of small spring bulbs. This looked stunning on the day of our visit. There was also another circular lawn with cowslips. This is a garden to be enjoyed at different times throughout the year.

Our annual plant sale and coffee morning is on Saturday 9th May from 10.0am to 12.0am in Ford End village hall. There is an entrance fee of £3 (children are free) which includes tea/coffee and cake. Apart from the many wonderful plants for sale there will be a raffle and cake stall so why not come along, fill your gardens with colour this summer and have a coffee and chat with friendly gardeners.

The garden club is having a self drive visit to Copped Hall on Sunday 7th June and we will be meeting in the Ford End village car park at 1.0pm. This is an open day at Copped Hall and we will be having a guided tour around the walled garden. Refreshments are available at the Hall and tickets are £8 if purchased on the day but £7 if bought online.

The garden club's annual barbecue will be on Wednesday 15th July at a garden in North End and more details will be available later.

We hope to see many of you at our Plant Sale and Coffee Morning on Saturday 9th May.

Great Waltham Parish Council

The Pavilion, Great Waltham Recreation Ground, South Street, Great Waltham, CM3 1DF.
Clerk, W J Adshead-Grant. Tel: 07880 717329. E Mail: clerk@greatwalthamparishcouncil.co.uk

This is a summary of some items discussed at the March 2026 meeting of the Parish Council. For full details, please check out the full and approved minutes of all Council meetings on the parish website (e-voice.org.uk/greatwalthamparish).

At the meeting members of the public drew our attention to their concerns regarding the condition of Black Chapel Lane, North End, a protected lane. We agreed to refer the matter to our Highways & Transport Committee for a detailed assessment. In addition, we also referred an item on pavement parking to the Committee – we are aware of issues raised both at our meetings and elsewhere on how badly parked vehicles affect pedestrians, especially those using disability scooters or pushing prams or buggies. We continue to encourage drivers to park with consideration for those who have to use footways.

We noted progress in relation to both the ongoing build of the Council's new website and the review of parish byelaws for our recreation grounds and village greens, as well as initial work to formalise a policy reflecting our approach to safeguarding and, if applicable, training volunteers who undertake work at Council led or events.

We agreed to take up the City Council's offer to nominate small works we would like to see under its 'Love your Chelmsford' initiative. We put forward a request for a road sweep along the full length of Church Lane, Ford End, and for the benches on land at the junction of Pleshey Road and Woods Road, Ford End to be pressure washed. Hopefully, by the time you read this our submissions have been accepted and the works completed.

For greater security and compliance, from the beginning of April, the Council's members and employees switched to using gov.uk email addresses (see our Clerk's new address above). Councillors' new addresses follow a similar format incorporating our surnames; for instance, my new contact address is cllr.gilbert@gtwaltham-pc.gov.uk.

The Council's AGM and next monthly meeting will be on Tuesday 26th May 2026 at Ford End Village Hall, starting at 7.30pm. All are welcome to attend our public meetings.
