

**Transition Town Kingston (TTK) presents:**

# Peak Oil, Climate Change & Transition Towns

What will the end of cheap, readily-available oil mean for our way of life? How can Kingston adapt to face the twin threats of **Peak Oil** and **Climate Change**? What **practical steps** can be taken to prepare for a vibrant post-oil economy?

Come and find out at this evening presentation by TTK steering group members. After the talk there will be an opportunity for informal discussion on TTK and creating a positive oil-free future.

C-SCAIPE, Kingston University, Penrhyn Road, KT1 2EE : **Mon 8 Sept - 19:30 (FREE)**

## TTK Action Plan Launch!

*This is your chance to **get involved!*** Over the past few months TTK's steering group have been devising an action plan to guide Kingston through the first steps of transition. This evening is about sharing and developing the plan with you, with the aim of setting up action groups to further raise awareness and lay the foundations of TTK's future.

It should be a lot of fun! So bring along nibbles and drinks to share.

C-SCAIPE, Kingston University, Penrhyn Road, KT1 2EE : **Tues 7 Oct - 19:30 (FREE)**

**Transition Town Kingston** aims to mobilise and facilitate community action in order to respond effectively and positively to climate change and Peak Oil. Please join us and participate in the process. To join our mailing list email [tkingston-subscribe@yahoogroups.com](mailto:tkingston-subscribe@yahoogroups.com)
