Something to consider when you are reading at a non-Communion service, that is the introduction to the second reading (usually from one of the Gospels).

As it isn't communion it isn't appropriate to read the full introduction out (and we don't stand).

It is sufficient to say "The second reading is from the Gospel of xxxx" with no response.

At the end of the reading the response from the service sheet it used "This is the word of the Lord. **Thanks be to God**"
