

Hi Ray

Just to say I thought today went extremely well, It appeared to go very smoothly, was well organised and a super day. Primarily because you and the other members of the fete committee worked exceedingly hard and tried to cover all the bases and appeared to do so seamlessly. I'm sure there may be some misses but if they occur they were not obvious to us on the scout stall.

So just to repeat myself I thought today went well - there were certainly plenty of people in attendance.

Do the committee feel it was worth the effort ? I do hope so. Also I hope the fete made some money.

Well done

Sue Keir

Hi Ray,

The fete seemed very impressive and well organised so I hope you were pleased with how things went.

The Air cadets tried to recruit Elliot! I was impressed with Holly and as luck would have it she had a boy helping about Elliot's size. Her show looked impressive and seemed to attract a few enquiries. If you want her back next year she really needs to know about January so there is a firm commitment in her planning diary. At least I wouldn't think she would let you down.

Best Wishes,

Bob Digby

Dear Ray,

I just wanted to say thank you again to you, Simon and the rest of the fete committee for the fete today. I had a lovely day and hope that you managed to raise lots of money for both Help the Heroes and the Homeless. I do hope that it will be running again next year as I would be interested in having a stall again (I did promise Simon, I would go for the no 1 spot again!).

Do please keep me informed and I look forward to supporting you again next year.

Thanks again and I hope you all now manage to have a well deserved rest.
