RECOVERY FROM INCIDENT & CHECKLIST

It is important to start the recovery process as soon as possible after the incident/emergency has occurred.

It is imperative that the Community is involved in the decision making process to engage their support and local knowledge.

A checklist should include (examples could include.... see below):

- √ **Community** - Promote self-help (What Community initiatives are already underway?)
- √ **Health & Welfare** - Consider vulnerable people/groups/establishments/Community Care/impact on faith groups
- √ **Business & Economy** - How many closures or relocations of businesses?
- √ **Environment Infrastructure & clean up** - Environmental Health issues (decontamination/disinfestations)?
- √ **Communications** - Co-ordinate communications across partner agencies
- √ **Elected Members** - Have Elected Members disseminated appropriate information to Community?

An action plan may look something like this:

Action	By whom	By when	Status (Red Amber Green)	Priority rating (E- Essential I – Important D–Desirable)

EXPENSES & REIMBURSEMENT

If you require making any expenditure on ensuring the safety or comfort of those within your community, and wish to be reimbursed for this, there is a scheme in place for local authorities to access funds, and they will try to reimburse any costs made.

If so, please ensure that you receive prior permission before expenses are made with your local authority, if expenses are not logged by the local authority; it is unlikely that the funds can be reimbursed.
