**24/19 To consider PLANNING APPLICATION UTT/24/0618/FUL**

This is a re-consultation following changes to the layout and design for 'demolition of 3 no. barns and erection of 5 no. houses with associated landscaping'.

Cllr Robinson proposed the parish council adds an additional comment to those already submitted, noting that whilst the parish council sees this latest plan as an improvement it remains concerned that the rear elevation of plot 2, which will be highly visible in the approach from the south, has too much glazing which ruins the vernacular design and presents a very suburban elevation. In addition plots 4 and 5 appear to follow a 'neo-Georgian' design and look somewhat out of place in the 'courtyard. This was seconded by Cllr O'Connor with all in agreement.
