

Routes 65, 71 and 467 diverted at Chessington

From Monday 2 August 2010 for about three months, routes 71, 467 and Night bus 65 will be diverted because of roadworks in Garrison Lane at Chessington South.

Route 71

This will run either to Copt Gilders or Chessington World of Adventures, so it is important that you check the destination on the front of the bus.

Buses displaying Chessington World of Adventures will run directly along Leatherhead Road and will not serve the Copt Gilders Estate.

Route 467

This will run direct via Chessington North station instead of Chessington South. Buses will continue to serve Copt Gilders in both directions.

Night bus 65
