

Dear Valued Hirer

As you may know the Legion Hall is cleaned at least weekly.

It is a Condition of Hire, which applies to everyone, is that any mess made must be cleaned up by the hirer and all rubbish disposed of.

The most frequent complaint we receive is that the hall floor has not been swept properly. In an effort to improve things we have now provided a Flat Mop Floor Sweeper which will aid all hirers to quickly sweep the floor and dispose of any mess in the bin or, if appropriate, simply just shaking out onto the grass outside.

Please leave the Sweeper in the corner of the Hall. If you need other items (hoover etc) they can be found in the cupboard in the front lobby.

The alternative is to have the hall cleaned more regularly but the cost of this will be reflected in increased hire charges which we are anxious to avoid. It is in all our interests to make sure we leave the Hall as we would wish to find it.

We ask that everyone play their part in keeping the hall clean and ready for the next hire. Your cooperation would be very much appreciated.

Regards

Kirk Pearson & Steve Brown

Branch Chairman & Secretary
