<b>Author</b>	All Saints Church
<b>Short summary</b>	We know that many of you are already aware of our amazing Seven Saxon King Embroidery Project and are grateful for your knowledge and support. We were recently successful in a funding application from Kingston First to create a short

promotional film to raise awareness of the embroideries and gain donations to allow us to complete the project in time for Athelstan's 1100 anniversary of his crowning in 2025 (Part of "Kingston 2025").

We are very happy to say that we were able to commission well respected local film-maker Adam Woods to write and direct the piece and that filming has now been completed. We will shortly be hosting the premiere right here as part of our Business Drinks and canapes reception at:
