4. Report of the residents meeting on 25th September

- a. 23 Residents signed in together with partners who didn't always sign in.
- b. Only one invited speaker attended, this was PC Lewis Dickens who spoke well and was able to emphasise to residents how important it is for them all to report any crime, the more reports the police get, the more intelligence they are able to build up and the greater the possibility of police action. I wrote to him to thank him for his contribution.
- c. The question of "do we have a warden"? came up – apparently but no one has every seen her/him. – *Heather checked at the Northampton in Bloom meeting and Sarah Oaks is our Waeden, she will be happy to attend our next Residents Meeting.*
- d. CCTV cameras are at Shelltune Council the White Elephant (Police) and opposite Allison's (unknown owner). The person who raised it though that they may be obscured by the trees. – *Cathrine is this something that you can check for us please?*
- e. We discussed the possibility of speed camera vans or speed guns, PC Dickens explained that the narrowness of the streets and parked cars would make this very difficult. Perhaps Anjona may have a view on this!
