The email list shows one email titled "Langford & Ulting Neighbourhood Plan" in the "Inbox" tab, sent by Jenny Clemo on March 2nd. The email content is as follows:

To: All statutory consultees:

The pre-submission draft of the Neighbourhood Plan is completed and is ready for your views and comments for from 2nd March to 17th April 2015. It can be viewed online on the Parish website <http://www.essexinfo.net/langford-ulting/> together with a form to download for your comments on each policy.

This pre-submission draft Plan is the culmination of the views of residents gathered at workshops, through postal surveys, which had excellent response rates of 58% and 52%, at the Village Art shows, picnics and other community engagement events. We are a small community and it is interesting to note that the opinions in the two villages were very strong and remarkably similar as to their vision for the continuing development of our communities over the next fifteen years.

The consultative period will end on 17th April 2015.
