To: All Statutory consultees,

The pre-submission draft of the Neighbourhood Plan has been completed and is ready for your views and comments from 5th November to 16th December 2019. It can be viewed online on the Parish Council website: <https://www.essexinfo.net/langford-ulting/>. together with a form to download for your comments on each policy,

The pre-submission draft plan is the culmination of the views of residents gathered at workshops, through postal surveys which had excellent response rates of 58% and 52%, at the village Art Shows, picnics and other community events. We are a small community and it is interesting to note that the opinions in the two villages were very strong and remarkably similar as to their vision for the continuing development of our communities over the next fifteen years.

The consultation will end at 5pm on 16th December 2019.
