PARISH COUNCIL NEWS

JOHN BARON'S FUN WALK 8TH SEPTEMBER

DEFIBRILLATORS SAVE LIVES

The Parish Council, with the support of the Village Hall Committee, is hoping to raise money to purchase a defibrillator for the village.

On **Sunday 8th September** your Parish Councillors will be taking part in John Baron's Fun Walk at Barleylands Farm. Any money raised via sponsorship will be increased by the Fun Walk organisers via their bonus pot. If, you, as a resident or local business, would like to sponsor the walkers and raise money for a defibrillator please either contact either a Parish Councillor directly or email the Parish Council Clerk (details opposite or on the Parish Council website)

VILLAGE WAR MEMORIAL

The face lift of the War Memorial has now been completed. The next project is to renew the base of the Memorial and several ideas are being considered and quotations are being obtained.

SPEEDING THROUGH THE VILLAGE PROJECT

Recently Councillors have been looking at options to slow down the speed of traffic through the village.

You will hopefully have noticed 30 mph and other signs have been placed along Laindon Common Road to remind drivers to keep to the speed limits through the village. Councillors are now looking at Highway Gateways to slow down the traffic but, as with all such projects funding has to be secured. Future newsletters will update on progress.

REMEMBERING OLD FRIENDS

It was with sadness, friends and family met at the Little Burstead Beacon on Friday 26th July.

The beacon was lit to celebrate the lives of Les Charge and Alf Jackson. Both lived in the village and contributed in many ways to make our village a nicer place. Both will be dearly missed by all and their families. A plaque for each has been fixed to the beacon in remembrance of both men.
