

Public Consultation

Land at London Road near Great Chesterford

Axis Land Partnerships are proposing an outline planning application on some land at London Road shown on the map below.

We would really value your opinion on the following;

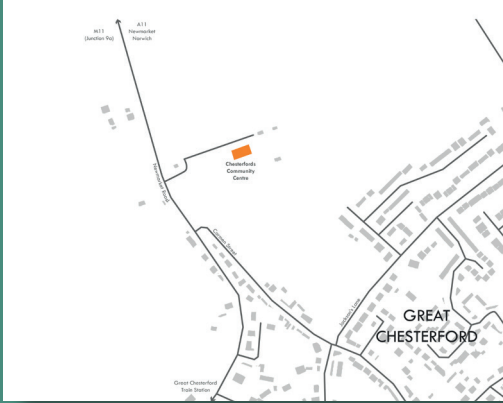

- What type of housing do you think is needed in the area?
- What do you think about the overall approach to the design being proposed?
- What sort of green space is important to you?
- Your views on transport and access.

This is a 3 hectare site, that's about the size of 4-5 football pitches, located to the South of Great Chesterford.
