

## **THE LITTLE YELDHAM VILLAGE HALL AND RECREATION GROUND**

### **SUCCESS STORY**

In May 2022, the Village Hall Trustees decided that they needed to make improvements to the Hall and about the same time, the Parish Council agreed to upgrade the Recreation Ground, but the biggest stumbling block for both endeavours was the lack of funding.

Both parties applied to every organisation who would accept an application and the excellent results we see today, both in the Village Hall and on the Recreation Ground.

As a small rural village on the outskirts of the Braintree District, Little Yeldham has been very fortunate with awards being granted of circa **£164,000** – yes, you read it correctly **£164,000!!** What an achievement!!

There are many people to thank for this success – not only the organisations awarding grants but also all the companies and individuals who have supported us with donations of time, money and goods along the way.

**A big heartfelt thank you to everyone – we really appreciate it!!**
