ADVICE ON HOW TO SECURE UPVC DOORS.

There have been dwelling house burglaries due to Upvc doors not being locked properly.

Some offences have occurred overnight and the method the suspect(s) are using is 'popping' UPVC doors which have not been double locked.

It is essential that if you have a UPVC door that you double lock it. Your UPVC door will be vulnerable if it is just shut not double locked.

THEFT OF USED COOKING OIL

GREAT HENNY Henny Road

March 3rd between 06:01hrs & 15:46hrs

Suspects unknown broke a padlock of a business shed and gained entry but nothing stolen however suspects did remove 80 litres of used cooking oil from outside premises.
