39	36	£2.00	£18.10

It is a requirement of membership of BDI, that every association pays the minimum BDI subscription, which will be £2 for the current year for all its registered members.

The BDI subscription covers 3 colonies

Associations MUST also collect from each member for the additional colonies managed.

Using this chart to aid the compilation of the BDI Certificate of Insurance, should also aid your compilation of the Spring and Autumn returns.
