

## Membership Subscriptions 2021/21

Following approval at our recent committee meeting the association membership subscription for 2021/22 has been remained at the reduced fee of £11.00 for both individual and family membership. This will cover our WBKA capitation and BDI for the first three colonies, those costs we have to pay. Additional BDI premiums, for more than the first three colonies, and 'Newsletter by post' costs to be paid by members in addition to the £11.00 as appropriate. Please note that an emailed version of the association newsletter is included in the price – you only need to pay the postage fee if you don't have an email address. Members will still receive The Welsh Beekeeper magazine and benefit from the 3rd party liability insurance as usual. There will also be a few changes to the way membership subscriptions are to be processed this year to minimise the potential for virus transmission.

- Payment shall be by bank transfer
- Strictly NO CASH
- Members without an internet connection, I know there are a few, to send their cheque to me as in previous years.
- Membership renewals with no change of details or additional costs do not need to complete a new membership form.
- Membership renewals but either with changes or additional costs to complete a membership form electronically and forward to me by email.
- New members to complete a membership form electronically and email to the treasurer
- Receipts and BDI certificates will be issued electronically.

## BANK DETAILS

Bank: HSBC

Account Name: Lleyn & Eifion Beekeepers Association

Sort Code: 40 37 30

Account Number: 10545112

IMPORTANT – use your name as reference to help me keep track of who has paid.
