- 1.2. Councillors are expected to follow these regulations and not to entice employees to breach them. Failure to follow these regulations brings the office of councillor into disrepute.
- 1.3. Wilful breach of these regulations by an employee may result in disciplinary proceedings.
- 1.4. In these Financial Regulations:
 - 'Accounts and Audit Regulations' means the regulations issued under Sections 32, 43(2) and 46 of the Local Audit and Accountability Act 2014, or any superseding legislation, and then in force, unless otherwise specified.
 - "Approve" refers to an online action, allowing an electronic transaction to take place.

 - 'Proper practices' means those set out in The Practitioners' Guide

 - 'Shall' refers to a non-statutory instruction by the council to its members and staff.
- 1.5. The Responsible Financial Officer (RFO) holds a statutory office, appointed by the council. The Clerk has been appointed as RFO and these regulations apply accordingly. The RFO;
 - acts under the policy direction of the council;
 - administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
 - determines on behalf of the council its accounting records and control systems;
 - ensures the accounting control systems are observed;
 - ensures the accounting records are kept up to date;
 - seeks economy, efficiency and effectiveness in the use of council resources; and
 - produces financial management information as required by the council.

1.6. **The council must not delegate any decision regarding:**

- **setting the final budget or the precept (council tax requirement);**
- **the outcome of a review of the effectiveness of its internal controls**
- **approving accounting statements;**
- **approving an annual governance statement;**
- **borrowing;**
- **declaring eligibility for the General Power of Competence; and**

2. Risk management and internal control

2.1. **The council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.**

2.2. The RFO shall prepare, for approval by the council, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.

2.3. When considering any new activity, the RFO shall prepare a draft risk assessment including risk management proposals for consideration by the council.

2.4. **At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.**

2.5. **The accounting control systems determined by the RFO must include measures to:**

- **ensure that risk is appropriately managed;**
- **ensure the prompt, accurate recording of financial transactions;**
- **prevent and detect inaccuracy or fraud; and**
- **allow the reconstitution of any lost records;**
- **identify the duties of officers dealing with transactions and**
- **ensure division of responsibilities.**

2.6. Each quarter, and at each financial year end, a member other than the Chair shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign and date the reconciliations and the original bank statements (or similar document) as evidence of this. This activity, including any exceptions, shall be reported to and noted by the council.

2.7. Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

3. Accounts and audit

- 3.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.
- 3.2. **The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonably accuracy at any time. In particular, they must contain:**
 - **day-to-day entries of all sums of money received and expended by the council and the matters to which they relate;**
 - **a record of the assets and liabilities of the council;**
- 3.3. The accounting records shall be designed to facilitate the efficient preparation of the accounting statements in the Annual Governance and Accountability Return.
- 3.4. The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.
- 3.5. **The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.**
- 3.6. **Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.
- 3.7. The internal auditor shall be appointed by the council and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.
- 3.8. The council shall ensure that the internal auditor:
 - is competent and independent of the financial operations of the council;
 - reports to council in writing, or in person, on a regular basis with a minimum of one written report during each financial year;
 - can demonstrate competence, objectivity and independence, free from any actual or perceived conflicts of interest, including those arising from family relationships; and

- 3.9. Internal or external auditors may not under any circumstances:
 - perform any operational duties for the council;
 - initiate or approve accounting transactions;
 - provide financial, legal or other advice including in relation to any future transactions; or
 - direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

- 3.11. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by the Local Audit and Accountability Act 2014, or any superseding legislation, and the Accounts and Audit Regulations.
- 3.12. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

4. Budget and precept

- 4.1. **Before setting a precept, the council must calculate its council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**
- 4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually. The RFO will inform committees of any salary implications before they consider their draft budgets.
- 4.3. No later than January each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.
- 4.4. Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for partially completed projects may only be carried forward (by placing them in an earmarked reserve) with the formal approval of the full council.
- 4.5. The draft budget, including any recommendations for the use or accumulation of reserves, shall be considered by the council.
- 4.6. Having considered the proposed budget, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than mid-January for the ensuing financial year.
- 4.7. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**
- 4.8. The RFO shall **issue the precept to the billing authority no later than mid-January or as directed by the District Council** and supply each member with a copy of the agreed annual budget.
- 4.9. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.
- 4.10. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

5. Procurement

- 5.1. **Members and officers are responsible for obtaining value for money at all times.**
Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3. Every contract shall comply with the council's Standing Orders, and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**
- 5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:
- 5.6. Over £60,000 excluding VAT, the RFO shall seek formal tenders from at least three suppliers agreed by the council. Tenders shall be invited in accordance with Appendix 1.
- 5.7. **For contracts estimated to be over £25,000 excluding VAT, the council must comply with any requirements of the Legislation¹ regarding the advertising of contract opportunities and the publication of notices about the award of contracts.**
- 5.8. Over £5,000 excluding VAT the RFO shall seek at least 3 fixed price quotes;
- 5.9. Over £500 excluding VAT, the RFO shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.
- 5.10. Below £500 excluding VAT, the RFO shall seek to achieve value for money.
- 5.11. **Contracts must not be split into smaller lots to avoid compliance with these rules.**
- 5.12. The council shall not be obliged to accept the lowest tender, quote or estimate.
- 5.13. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:
 - i. specialist services, such as legal professionals acting in disputes;
 - ii. repairs to, or parts for, existing machinery or equipment;
 - iii. works, goods or services that constitute an extension of an existing contract;

¹ The Regulations require councils to use the Contracts Finder website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

- iv. goods or services that are only available from one supplier or are sold at a fixed price.
- 5.14. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.
- 5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by:
- the RFO, in consultation with the Chair of the Council for any items below £1,000 excluding VAT.
 - the RFO, under delegated authority, for any items below £500 excluding VAT.
- Such authorisation must be supported by a minute or other auditable evidence trail.
- 5.16. No individual member, or informal group of members may issue an official order or make any contract on behalf of the council.
- 5.17. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council except in an emergency.
- 5.18. In cases of serious risk to the delivery of council services or to public safety on council premises, the RFO may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The RFO shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.
- 5.19. No expenditure shall be authorised, no contract entered into, or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.
- 5.20. An official order or letter shall be issued for all work, goods and services above £250 excluding VAT unless a formal contract is to be prepared, or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.
- 5.21. Any ordering system can be misused and access to them shall be controlled by the RFO.

6. Banking and payments

- 6.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Barclays bank. The arrangements shall be reviewed annually for security and efficiency.
- 6.2. The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised, and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

- 6.3. All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council, before being certified by the RFO.
- 6.4. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.
- 6.5. The council's preferred method of payment is by cheque, unless the council resolves to use a different payment method.
- 6.6. For each financial year the RFO may draw up a schedule of regular payments due in relation to a continuing contract or obligation (such as Salaries, PAYE, National Insurance, pension contributions, rent, rates, regular maintenance contracts and similar items), which the council may authorise in advance for the year.

A copy of this schedule of regular payments shall be signed by two members on each and every occasion when payment is made - to reduce the risk of duplicate payments.

A list of such payments shall be reported to the next appropriate meeting of the council for information only.

- 6.7. The RFO shall have delegated authority to authorise payments only in the following circumstances:
 - i. any payments of up to £500 excluding VAT, within an agreed budget.
 - ii. payments of up to £2,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.
 - iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 or to comply with contractual terms, where the due date for payment is before the next scheduled meeting of the council and where the RFO certifies that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council.
 - iv. Fund transfers within the councils banking arrangements, provided that a list of such payments shall be submitted to the next appropriate meeting of council.

A full list of such payments shall be reported to the next appropriate meeting of the council and recorded in the minutes.

- 6.8. The RFO shall present a schedule of payments requiring authorisation together with the relevant invoices for verification at the meeting.
- 6.9. The council shall review the schedule for compliance and, having satisfied itself, shall authorise payment by resolution. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of that meeting.

7. Cheque payments

- 7.1. Cheques or orders for payment in accordance with a resolution or delegated decision shall be signed by two members.
- 7.2. A signatory having a family or business relationship with the beneficiary of a payment shall not, under normal circumstances, be a signatory to that payment.

The council will not maintain any form of cash float. Any payments made in cash by the RFO for example for postage or minor stationery items shall be refunded on a regular basis.

10. Payment of salaries and allowances

- 10.1. **As an employer, the council must make arrangements to comply with the statutory requirements of PAYE legislation.**

- 10.3. Salary rates shall be agreed by the council. No changes shall be made to any employee's gross pay, emoluments, or terms and conditions of employment without the prior consent of the council.

- 10.5. Deductions from salary shall be paid to the relevant bodies within the required timescales, provided that each payment is reported, as set out in these regulations above.
- 10.6. Each payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded in a payroll control account or other separate confidential record, with the total of such payments each calendar month reported in the cashbook. Payroll reports will be reviewed by the council to ensure that the correct payments have been made.
- 10.7. Any termination payments shall be supported by a report to the council, setting out a clear business case. Termination payments shall only be authorised by the full council.
- 10.8. Before employing interim staff, the council must consider a full business case.

The council shall consider the requirement for an Investment Strategy and Policy in accordance with Statutory Guidance on Local Government Investments, which must be written in accordance with relevant regulations, proper practices and guidance. Any Strategy and Policy shall be reviewed by the council at least annually.

- 12.3. Any sums found to be irrecoverable, and any bad debts shall be reported to the council by the RFO and shall be written off in the year. The council's approval shall be shown in the accounting records.
- 12.4. All sums received on behalf of the council either cash or cheque shall be deposited intact with the council's bankers, with such frequency as the RFO considers necessary. The origin of each receipt shall clearly be recorded on the paying-in slip or other record.
- 12.5. The RFO shall ensure that VAT is correctly recorded and any repayment claim under section 33 of the VAT Act 1994 shall be made quarterly where the claim exceeds £1,000 and at least annually at the end of the financial year.
- 12.6. Where significant sums of cash are received by the council, the RFO shall ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control record such as ticket issues, and that appropriate care is taken for the security and safety of individuals banking such cash.

13. Payments under contracts for building or other construction works

- 13.1. Where contracts provide for payment by instalments the RFO shall maintain a record of all such payments, which shall be made within the time specified in the contract based on signed certificates from the architect or other consultant engaged to supervise the works.
- 13.2. Any variation of, addition to or omission from a contract must be authorised by the RFO to the contractor in writing, with the council being informed where the final cost is likely to exceed the contract sum by 5% or more, or likely to exceed the budget available.
